GENERAL

This Proxy Statement (first mailed to shareholders on or about April 11, 2002) is furnished in connection with the solicitation by the Board of Directors of Public Storage, Inc. (the "Company") of proxies for use at the Company's Annual Meeting of Shareholders to be held at the Hilton Glendale, 100 West Glenoaks Boulevard, Glendale, California at 1:00 p.m. Los Angeles time on May 9, 2002 or at any adjournment of the meeting. The purposes of the meeting are: (1) to elect ten directors of the Company; (2) to vote upon amendments to the Certificates of Determination of various series of Preferred Stock of the Company to reclassify the shares of each of such series into redesignated series of Preferred Stock upon approval by the holders of 66²/₃% of the shares of an affected series; and (3) to consider such other business as may properly be brought before the meeting or any adjournment of the meeting.

QUORUM AND VOTING

Record Date and Quorum

Only holders of record of Common Stock and Depositary Shares ("Depositary Shares") Each Representing 1/1,000 of a Share of Equity Stock, Series A ("Equity Stock") at the close of business on March 15, 2002 (the "Record Date") will be entitled to vote at the meeting, or at any adjournment of the meeting. Each Depositary Share represents 1/1,000 of one share of Equity Stock. The Equity Stock has been deposited with EquiServe Trust Company, N. A., as Depositary (the "Depositary"). On the Record Date, the Company had 115,778,875 shares of Common Stock issued and outstanding and 8,776,102 Depositary Shares, representing 8,776.102 shares of Equity Stock, issued and outstanding.

The presence at the meeting in person or by proxy of the holders of a majority of the voting power represented by the outstanding shares of Common Stock and Equity Stock, counted together as a single class, is necessary to constitute a quorum for the transaction of business.

Voting of Proxy/Instruction Card

If a Proxy/Instruction Card in the accompanying form is properly executed and is received before the voting, the persons designated as proxies will vote the shares of Common Stock represented thereby, if any, in the manner specified, and the Depositary will vote the Equity Stock underlying the Depositary Shares represented thereby, if any, in the manner specified. If no specification is made, the persons designated as proxies will vote the shares of Common Stock represented by the Proxy/Instruction Card, if any, and the Depositary will vote the Equity Stock underlying the Depositary Shares represented by the Proxy/Instruction Card, if any, FOR the election as directors of the nominees named below and for the approval of proposal (2). If any nominee becomes unavailable to serve, the persons designated as proxies and the Depositary will vote for the person, if any, designated by the Board of Directors to replace that nominee. A Proxy/Instruction Card is revocable by delivering a subsequently signed and dated Proxy/Instruction Card or other written notice to the Company or the Depositary at any time before the voting. A Proxy/Instruction Card may also be revoked if the person executing the Proxy/Instruction Card is present at the meeting and chooses to vote in person.

If you participate in the PS 401(k)/Profit Sharing Plan (the "401(k) Plan"), your Proxy/Instruction Card will also serve as a voting instruction for the trustee of the 401(k) Plan (the "Trustee") with respect to the

amount of shares of Common Stock and/or Depositary Shares credited to your account as of the Record Date. If you provide voting instructions via your Proxy/Instruction Card with respect to shares in the 401(k) Plan, the Trustee will vote those shares of Common Stock in the manner specified and/or the Trustee will instruct the Depositary to vote the Equity Stock underlying those Depositary Shares in the manner specified. If you execute and return the Proxy/Instruction Card without a specific voting instruction with respect to shares in the 401(k) Plan, the Trustee will vote those shares of Common Stock, and will instruct the Depositary to vote the Equity Stock underlying those Depositary Shares, FOR the election as directors of the nominees named below and for the approval of proposal (2). If a properly executed Proxy/Instruction Card with respect to shares in the 401(k) Plan is not received by the Trustee, the Trustee will vote those shares of Common Stock at its discretion and/or the Trustee at its discretion will instruct the Depositary with respect to the voting of the Equity Stock underlying those Depositary Shares.

Holders of Common Stock and holders of Equity Stock vote together as one class. With respect to the election of directors, (i) each holder of Common Stock on the Record Date is entitled to cast as many votes as there are directors to be elected multiplied by the number of shares registered in his name on the Record Date and (ii) each holder of Equity Stock is entitled to cast as many votes as there are directors to be elected multiplied by 100 times the number of shares of Equity Stock registered in its name (equivalent to 1/10 the number of Depositary Shares registered in the holder's name). The holder may cumulate his votes for directors by casting all of his votes for one candidate or by distributing his votes among as many candidates as he chooses. The ten candidates who receive the most votes will be elected directors of the Company. In voting upon proposal (2) and any other proposal that might properly come before the meeting, each outstanding share of Common Stock entitles the holder to one vote and each outstanding share of Equity Stock entitles the holder to 100 votes (equivalent to 1/10 of a vote per Depositary Share). The number of votes required to approve proposal (2) is set forth in the description of the proposal in this Proxy Statement.

If any nominee below becomes unavailable for any reason or if any vacancy on the Company's Board of Directors occurs before the election, the shares of Common Stock and/or the shares of Equity Stock underlying Depositary Shares represented by a Proxy/Instruction Card voted for that nominee, will be voted for the person, if any, designated by the Board of Directors to replace the nominee or to fill the vacancy on the Board. Compensation of Directors

Each of the Company's directors, other than B. Wayne Hughes, Harvey Lenkin and Marvin M. Lotz, receives director's fees of \$19,000 per year plus \$450 for each meeting attended. In addition, each of the members of the Audit Committee (other than the chairman, who receives \$1,300 per meeting) receives \$1,000 for each meeting of the Audit Committee attended. Each of the members of the Executive Equity Awards Committee receives \$500 for each meeting of the committee attended. The policy of the Company is to reimburse directors for reasonable expenses. Under the 2001 Stock Option and Incentive Plan, each director who is not an officer or employee of the Company ("Outside Director") is, upon the date of his or her initial election to serve as an Outside Director, automatically granted non-qualified options to purchase 15,000 shares of Common Stock. In addition, after each annual meeting of shareholders, each Outside Director then duly elected and serving is automatically granted, as of the date of such annual meeting, non-qualified options to purchase 2,500 shares of Common Stock, so long as such person has attended, in person or by telephone, at least 75% of the meetings held by the Board of Directors during the immediately preceding calendar year.

Employment Agreement

B. Wayne Hughes, the Chairman of the Board and Chief Executive Officer of the Company, entered into an employment agreement with the Company in November 1995 in connection with the merger of Public Storage Management, Inc. into the Company. This agreement was for a term of five years (which ended in November 2000) and provided for annual compensation of \$60,000.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Company does not have a compensation committee. Messrs. Hughes, Lenkin, Lotz and Hughes, Jr., who are officers of the Company, are members of the Board of Directors.

Certain Relationships and Related Transactions

Development Joint Venture with Affiliate. In November 1999, the Company, through wholly owned entities (“PSA”), formed a joint venture (the “Development JV”) to develop and own approximately \$100 million of mini-warehouses and \$100 million of shares of the Company’s Equity Stock, Series AAA. The partners of the Development JV are PSA and a limited liability company (the “Investor LLC”). The members of the Investor LLC are a state pension plan (the “Investor”) and B. Wayne Hughes. The Development JV is being capitalized with approximately \$200 million; PSA is contributing approximately \$102 million and has a 51% ownership interest and the Investor LLC is contributing approximately \$98 million and has a 49% ownership interest. The term of the Development JV is 15 years. The Investor LLC has the right at the end of the sixth year to cause an early termination of the Development JV. Operating cash flow (as defined) from the Development JV is distributed as follows: (1) during the first through sixth years of the Development JV, (a) 100% to the Investor LLC until the Investor LLC has received cumulative distributions equal to a 10% compounded return on its investment and (b) then, 100% to be reinvested by the Development JV; and (2) during the seventh through the 15th years of the Development JV, (a) 100% to the Investor LLC until the Investor LLC has received cumulative distributions equal to a 10% compounded return on its investment as determined through the first six years, (b) then, 100% to PSA until PSA has received cumulative distributions equal to a 10% compounded return on its investment as determined through the first six years and (c) then, 49% to the Investor LLC and 51% to PSA. Of the total capitalization of the Investor LLC of approximately \$98 million, Mr. Hughes contributed \$64.084 million and the balance was contributed by the Investor. Operating cash flow (as defined) from the Investor LLC is distributed as follows: (1) 100% to Mr. Hughes until he has received cumulative distributions equal to a 7.9972% compounded annual return on his unreturned investment and (2) then, 99% to the Investor and 1% to Mr. Hughes (his 1% interest is estimated to be less than \$50,000 per year). If the Investor does not elect to cause an early termination, Mr. Hughes’ 1% interest can increase to up to 10%. During 2001, distributions from the Investor LLC to Mr. Hughes were \$4,845,757. He invested in the Investor LLC at the request of the Investor, and the transaction was approved by the Company’s disinterested directors based on advice from a financial advisor.

Sales of Shares to Company. In January 2001, a corporation wholly-owned by Uri P. Harkham, a director of the Company, sold to the Company in a privately negotiated transaction 10,000 shares of the Company’s Common Stock for an aggregate of \$251,875.

In March 2001, a limited liability company of which Thomas J. Barrack, Jr., a director of the Company, is a controlling member, sold to the Company in a privately negotiated transaction 2,619,893 shares of the Company’s Common Stock for an aggregate of \$68,064,820.

Acquisition of PSIC. On December 31, 2001, the Company acquired, in a tax-free reorganization, all of the capital stock of PS Insurance Company, Ltd. (“PSIC”) from B. Wayne Hughes, B. Wayne Hughes, Jr. and Tamara Hughes Gustavson in exchange for an aggregate of 1,439,756 shares of the Company’s Common Stock. PSIC owned 301,032 shares of the Company’s Common Stock, which continue to be owned by PSIC.

PSIC is engaged in the business of reinsuring risks relating to damage, destruction or other loss of goods stored by tenants in the mini-warehouses owned and operated by the Company in the United States and to a much lesser extent by affiliates of the Hughes family in Canada. In 1995, the Company acquired, in a tax-free reorganization, substantially all of the entities owned by B. Wayne Hughes (and members of his family) that were engaged in the ownership and operation of mini-warehouses and related activities in the United States. However, the federal and state income tax laws applicable to real estate investment trusts (such as the Company) imposed restrictions that effectively prevented the Company from owning PSIC or engaging in that business. As a result, PSIC was retained by and was continued to be operated by the Hughes family until December 31, 2001. In the 1995 transaction, the Company was granted a right of first refusal pertaining to any transfer of the capital stock or business of PSIC. Changes to the federal income tax laws that became effective January 1, 2001 and conforming changes to California’s tax laws that were adopted in 2001 now permit the Company to own the capital stock of PSIC.

Due principally to the interrelationship of the businesses of the Company and PSIC, the Company believes that it is in its best interest to own and operate PSIC as a wholly-owned taxable REIT subsidiary. The transaction was approved by the Company's disinterested directors. A financial advisor issued a fairness opinion to the Company's Board on the transaction.

Acquisition of Voting Stock of PSOI. On December 31, 2001, following the acquisition of the capital stock of PSIC by the Company, the Company acquired the voting common stock of PS Orangeco, Inc. ("PSOI"), representing 5% of the equity of PSOI, from the Hughes family for \$554,000, a price representing the Hughes family's original cost in the voting common stock of PSOI. The Company owns the non-voting preferred stock of PSOI, representing 95% of the equity of PSOI.

PSOI has an interest in the portable self-storage business and sells at the Company's properties a variety of items such as locks and boxes to assist in the moving and storage of goods and rents trucks. The Company and the Hughes family acquired their interests in PSOI in the Company's 1995 reorganization. Because PSOI'S revenues are nonqualifying income under the REIT tax laws, the voting common stock of PSOI was owned by the Hughes family. Recent changes in federal and California tax laws now permit the Company to own the voting common stock of PSOI. The Company's acquisition of the voting common stock of PSOI was approved by the Company's disinterested directors.

Acquisition of Partnership Interests. On December 31, 2001, the Company acquired B. Wayne Hughes' approximately 1/10 of 1% general partner interest in four limited partnerships that own mini-warehouses. The purchase price was \$232,770, representing Mr. Hughes' original cost for these partnership interests. The Company owns the remaining general partnership interest, and all of the limited partnership interest, in these partnerships. The acquisition of Mr. Hughes' general partner interest was approved by the Company's disinterested directors.

REPORT OF THE BOARD OF DIRECTORS AND THE AUDIT COMMITTEE ON EXECUTIVE COMPENSATION

Subject to certain considerations applicable to the Chief Executive Officer as discussed below, the Company pays its executive officers compensation deemed appropriate in view of the nature of the Company's business, the performance of individual executive officers, and the Company's objective of providing incentives to its executive officers to achieve a level of individual and Company performance that will maximize the value of shareholders' investment in the Company. To those ends, the Company's compensation program consists of payment of a base salary and, potentially, bonus compensation, and making incentive awards of options to purchase Common Stock. During 2001, grants of options to executive officers (other than the named executive officers) were made under the 2001 Stock Option and Incentive Plan (the "2001 Plan").

Cash Compensation. Base salary levels are based generally (other than in the case of the Chief Executive Officer) on market compensation rates and each individual's role in the Company. The Company determines market compensation rates by reviewing public disclosures of compensation paid to executive officers by other REITs of comparable size and market capitalization. Some of the REITs whose executive compensation the Company considered in establishing the compensation it pays to executive officers are included in the NAREIT Equity Index referred to below under the caption "Stock Price Performance Graph." Generally, the Company seeks to compensate its executives at levels consistent with the middle of the range of amounts paid by REITs deemed comparable by the Company. Individual salaries may vary based on the experience and contribution to overall corporate performance by a particular executive officer.

For the year 2001, the Chief Executive Officer's base compensation was established with reference to his employment agreement (which expired in November 2000) at \$60,000. The compensation paid to the Chief Executive Officer is less than that paid to the chief executive officers of other publicly traded REITs and reflected the judgment of the Board of Directors and the Chief Executive Officer that the Chief Executive Officer's performance was rewarded primarily through his significant equity stake in the Company.

The Company bases its payment of annual bonuses on corporate, business unit and individual performance. In establishing individual bonuses, the Company takes into account the Company's overall profitability, the Company's internal revenue growth, the Company's revenue growth due to acquisitions, and the executive officer's contribution to the Company's growth and profitability.

Equity-Based Compensation. The Company believes that its executive officers should have an incentive to improve the Company's performance by having an ongoing stake in the success of the Company's business. The Company seeks to create this incentive by granting to appropriate executive officers stock options that have an exercise price of not less than 100% of the fair market value of the underlying stock on the date of grant, so that the executive officer may not profit from the option unless the price of the Common Stock increases. Options granted by the Company also are designed to help the Company retain executive officers in that options are not exercisable at the time of grant, and achieve their maximum value only if the executive remains in the Company's employ for a period of years. During 2001, the Company did not grant any options to the Chief Executive Officer or to the other named executive officers.

The 2001 Plan also authorizes the Company to compensate its executive officers and other employees with grants of restricted stock. Restricted stock would increase in value as the value of the Common Stock increased, and would vest over time provided that the executive officer remained in the employ of the Company. Accordingly, awards of restricted stock would serve the Company's objectives of retaining its executive officers and other employees and motivating them to advance the interests of the Company and its shareholders. The Company did not grant any shares of restricted stock during 2001.

STOCK PRICE PERFORMANCE GRAPH

The graph set forth below compares the yearly change in the Company's cumulative total shareholder return on its Common Stock for the five-year period ended December 31, 2001 to the cumulative total return of the Standard and Poor's 500 Stock Index ("S&P 500 Index") and the National Association of Real Estate Investment Trusts Equity Index ("NAREIT Equity Index") for the same period (total shareholder return equals price appreciation plus dividends). The stock price performance graph assumes that the value of the investment in the Company's Common Stock and each index was \$100 on December 31, 1996 and that all dividends were reinvested. The stock price performance shown in the graph is not necessarily indicative of future price performance.

AUDIT COMMITTEE REPORT

The Audit Committee of the Public Storage Board of Directors is composed of three directors who qualify as independent under the rules of the New York Stock Exchange. The Audit Committee operates under a written charter adopted by the Board of Directors in May 2000 (Exhibit A). The members of the Audit Committee are Robert J. Abernethy (Chairman), William C. Baker and Daniel C. Staton. The Audit Committee recommends to the Board of Directors the selection of the Company's independent auditors.

Management is responsible for the Company's internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met with management and the independent auditors and has reviewed and discussed with them the audited consolidated financial statements. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Company's independent auditors also provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent auditors that firm's independence. In addition, the Audit Committee has considered whether the independent auditors' provision of non-audit services to the Company is compatible with the auditors' independence.

Based on the Audit Committee's discussions with management and the independent auditors, the representation of management and the report of the independent auditors, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2001 filed with the Securities and Exchange Commission.

PROPOSAL NO. 2

AMENDMENT TO TERMS OF PREFERRED STOCK

Under the Company's restated articles of incorporation, the Board of Directors is authorized without further shareholder action to provide for the issuance of up to 50,000,000 shares of preferred stock, in one or more series, with such rights as are set forth in resolutions adopted by the Board of Directors.

The Company has outstanding 15 series of Preferred Stock, which were created by resolutions adopted by the Board of Directors at various dates between 1992 and 2002. The terms of each outstanding series of Preferred Stock are set forth briefly in the notes to the financial statements included in the Company's annual report to shareholders and in detail in the Certificates of Determination creating these series.

The Certificates of Determination of the Preferred Stock provide, in the case of each series, for a specified dividend rate and a date on or after which the Company may (but is not obligated to) redeem the series of Preferred Stock. The Company believes that it is in its interest, in the case of 14 of the series of Preferred Stock, to have the flexibility to, from time to time, reduce the dividend rate to reflect market conditions, to extend the date on or after which the Company may (but is not obligated to) redeem the series of Preferred Stock, and make other adjustments that the Board of Directors deems appropriate. Accordingly, the Board of Directors has proposed amendments to the Certificates of Determination of 14 series of Preferred Stock to provide for the reclassification of the shares of these 14 existing series (the "Existing Series") into shares of redesignated series (the "Redesignated Series") of Preferred Stock. Upon the effectiveness of a redesignation, each share of an Existing Series would be reclassified into a share of the corresponding Redesignated Series as reflected in the following table:

Name of Existing Series	Name of Redesignated Series	Aggregate Liquidation Preference of the Existing Series	Dividend Rate of Existing Series	Date on or After Which the Existing Series May be Redeemed
Series B Preferred Stock	Series B-1 Preferred Stock	\$ 59,650,000	9.200%	3/31/2003
Series C Preferred Stock	Series C-1 Preferred Stock	30,000,000	Variable	6/30/1999
Series D Preferred Stock	Series D-1 Preferred Stock	30,000,000	9.500%	9/30/2004
Series E Preferred Stock	Series E-1 Preferred Stock	54,875,000	10.000%	1/31/2005
Series F Preferred Stock	Series F-1 Preferred Stock	57,500,000	9.750%	4/30/2005
Series J Preferred Stock	Series J-1 Preferred Stock	150,000,000	8.000%	8/31/2002
Series K Preferred Stock	Series K-1 Preferred Stock	115,000,000	8.250%	1/19/2004
Series L Preferred Stock	Series L-1 Preferred Stock	115,000,000	8.250%	3/10/2004
Series M Preferred Stock	Series M-1 Preferred Stock	56,250,000	8.750%	8/17/2004
Series Q Preferred Stock	Series Q-1 Preferred Stock	172,500,000	8.600%	1/19/2006
Series R Preferred Stock	Series R-1 Preferred Stock	510,000,000	8.000%	9/28/2006
Series S Preferred Stock	Series S-1 Preferred Stock	143,750,000	7.875%	10/31/2006
Series T Preferred Stock	Series T-1 Preferred Stock	150,000,000	7.625%	1/18/2007
Series U Preferred Stock	Series U-1 Preferred Stock	150,000,000	7.625%	2/19/2007

The dividend rate or rates of the Redesignated Series, the date on or after which the Company may (but is not obligated to) redeem the shares of the Redesignated Series and other terms of the Redesignated Series would be set forth in resolutions adopted by the Board of Directors creating the Redesignated Series. The reclassification of the shares of one of the Existing Series into a Redesignated Series would require approval by the holders of 66²/₃% of the outstanding shares of that Existing Series, but would not be conditioned on the reclassification of the shares of any other Existing Series nor would it require any further vote of the holders of shares of Equity Stock and Common Stock. The Company would seek the approval of the holders of an Existing Series at a later date when the Board of Directors sets the terms of the corresponding Redesignated Series. The decision of the Board of Directors to create a Redesignated Series to implement a reclassification will depend on market conditions and other factors the Board of Directors considers appropriate and there can be no assurance that any of the reclassifications will be implemented.

The affirmative vote of the holders of a majority of the voting power represented by the outstanding shares of Equity Stock and Common Stock, voting together as a single class, is required to approve the amendments to the Certificates of Determination of the Existing Series. For these purposes, an abstention or broker non-vote will have the effect of a vote against the proposal. The officers and directors of the Company intend to vote their shares in favor of the amendment. The affirmative vote of the holders of 66²/₃% of the outstanding shares of an Existing Series will also be required to amend the Certificate of Determination of that Existing Series.

The Board of Directors recommends that you vote FOR this amendment.

EXPENSES OF SOLICITATION

The Company will pay the cost of soliciting Proxy/Instruction Cards. In addition to solicitation by mail, certain directors, officers and regular employees of the Company and its affiliates may solicit the return of Proxy/Instruction Cards by telephone, telegram, personal interview or otherwise. The Company may also reimburse brokerage firms and other persons representing the beneficial owners of the Company's stock for their reasonable expenses in forwarding proxy solicitation materials to such beneficial owners. Shareholder Communications Corporation, New York, New York may be retained to assist the Company in the solicitation of Proxy/Instruction Cards, for which Shareholder Communications Corporation would receive normal and customary fees and expenses from the Company.
