May 8, 2003

GENERAL

This proxy statement (first mailed to shareholders on or about April 14, 2003) is furnished in connection with the solicitation by the Board of Directors of Public Storage, Inc. (the "Company") of proxies for use at the Company's Annual Meeting of Shareholders to be held at the Hilton Glendale, 100 West Glenoaks Boulevard, Glendale, California at 1:00 p.m. Los Angeles time on May 8, 2003 or at any adjournment or postponement of the meeting. The purposes of the meeting are: (1) to consider and vote upon a proposal to elect ten directors of the Company; (2) to consider and vote upon a proposal to ratify the appointment of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 31, 2003; and (3) to consider such other business as may properly be brought before the meeting or any adjournment or postponement of the meeting.

QUORUM AND VOTING

Record Date and Quorum

Only holders of record of the Company's Common Stock and Depositary Shares ("Depositary Shares") Each Representing 1/1,000 of a Share of Equity Stock, Series A ("Equity Stock") at the close of business on the record date of March 14, 2003 will be entitled to vote at the meeting, or at any adjournment of the meeting. Each Depositary Share represents 1/1,000 of one share of Equity Stock. The Equity Stock has been deposited with EquiServe Trust Company, N. A., as Depositary (the "Depositary"). On the record date, the Company had 124,681,522 shares of Common Stock issued and outstanding and 8,776,102 Depositary Shares, representing 8,776.102 shares of Equity Stock, issued and outstanding.

The presence at the meeting in person or by proxy of the holders of a majority of the voting power represented by the outstanding shares of Common Stock and Equity Stock, counted together as a single class, is necessary to constitute a quorum for the transaction of business. Abstentions and "broker non-votes" are counted for purposes of determining whether a quorum exists, but will not affect the outcome of any vote.

Voting of Proxy/Instruction Card

If a proxy/instruction card in the accompanying form is properly executed and is received before the voting, the persons designated as proxies will vote the shares of Common Stock represented thereby, if any, in the manner specified, and the Depositary will vote the Equity Stock underlying the Depositary Shares represented thereby, if any, in the manner specified. If no specification is made, the persons designated as proxies will vote the shares of Common Stock represented by the proxy/instruction card, if any, and the Depositary will vote the Equity Stock underlying the Depositary Shares represented by the proxy/instruction card, if any, FOR the election as directors of the nominees named below and FOR the approval of proposal (2). If any nominee becomes unavailable to serve, the persons designated as proxies and the Depositary will vote for the person, if any, designated by the Board of Directors to replace that nominee. A proxy/instruction card is revocable by delivering a subsequently signed and dated proxy/instruction card or other written notice to the Company or the Depositary at any time before the voting. A proxy/instruction card may also be revoked if the person executing the proxy/instruction card is present at the meeting and chooses to vote in person. A proxy/instruction card will confer discretionary authority to cumulate votes selectively among the nominees as to which authority to vote has not been withheld.

If you participate in the PS 401(k)/Profit Sharing Plan (the “401(k) Plan”), your proxy/instruction card will also serve as a voting instruction for the trustee of the 401(k) Plan (the “Trustee”) with respect to the amount of shares of Common Stock and/or Depositary Shares credited to your account as of the record date. If you provide voting instructions via your proxy/instruction card with respect to shares in the 401(k) Plan, the Trustee will vote those shares of Common Stock in the manner specified and/or the Trustee will instruct the Depositary to vote the Equity Stock underlying those Depositary Shares in the manner specified. If you execute and return the proxy/instruction card without a specific voting instruction with respect to shares in the 401(k) Plan, the Trustee will vote those shares of Common Stock, and will instruct the Depositary to vote the Equity Stock underlying those Depositary Shares, FOR the election as directors of the nominees named below and FOR the approval of proposal (2). If a properly executed proxy/instruction card with respect to shares in the 401(k) Plan is not received by the Trustee, the Trustee will vote those shares of Common Stock at its discretion and/or the Trustee at its discretion will instruct the Depositary with respect to the voting of the Equity Stock underlying those Depositary Shares.

Holders of Common Stock and holders of Equity Stock vote together as one class. With respect to the election of directors, (i) each holder of Common Stock on the Record Date is entitled to cast as many votes as there are directors to be elected multiplied by the number of shares registered in his name on the record date and (ii) each holder of Equity Stock is entitled to cast as many votes as there are directors to be elected multiplied by 100 times the number of shares of Equity Stock registered in its name (equivalent to 1/10 the number of Depositary Shares registered in the holder’s name). The holder may cumulate its votes for directors by casting all of its votes for one candidate or by distributing its votes among as many candidates as it chooses. The ten candidates who receive the most votes will be elected directors of the Company. In voting upon proposal (2) and any other proposal that might properly come before the meeting, each outstanding share of Common Stock entitles the holder to one vote and each outstanding share of Equity Stock entitles the holder to 100 votes (equivalent to 1/10 of a vote per Depositary Share). The number of votes required to approve proposal (2) is set forth in the description of the proposal in this proxy statement.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Ten directors, constituting the entire Board of Directors, are to be elected at the Annual Meeting of Shareholders, to hold office until the next annual meeting and until their successors are elected and qualified. When the accompanying proxy/instruction card is properly executed and returned before the voting, the persons designated as proxies and the Trustee will vote the shares of Common Stock represented thereby, if any, and the Depositary will vote the Equity Stock underlying the Depositary Shares represented thereby, if any, in the manner indicated on the proxy/instruction card. If any nominee below becomes unavailable for any reason or if any vacancy on the Company’s Board of Directors occurs before the election, the shares of Common Stock and/or the shares of Equity Stock underlying Depositary Shares represented by a proxy/instruction card voted for that nominee, will be voted for the person, if any, designated by the Board of Directors to replace the nominee or to fill the vacancy on the Board. Directors and Committee Meetings

During 2002, the Board of Directors held five meetings (and acted four times by unanimous written consent), the Audit Committee held three meetings and the Executive Equity Awards Committee acted once by unanimous written consent. During 2002, each of the directors, except for Thomas J. Barrack, Jr. and B. Wayne Hughes, Jr., attended at least 75% of the meetings held by the Board of Directors or, if a member of a committee of the Board of Directors, held by both the Board of Directors and all committees of the Board of Directors on which he served. Mr. Barrack is not standing for reelection to the Board of Directors.

Robert J. Abernethy (chairman), William C. Baker and Daniel C. Staton comprise the Audit Committee. The primary functions of the Audit Committee include to retain and meet with the Company's outside auditors, to approve all audit engagement fees and terms, to conduct a pre-audit review of the audit engagement, to conduct a post-audit review of the results of the audit, to oversee the Company's accounting and financial reporting policies, to monitor the adequacy of internal financial controls of the Company, to review the independence of the outside auditors and to approve all audit services and non-audit services to be provided to the Company by its outside auditors. The Audit committee operates under a written charter adopted by the Board of Directors, a copy of which is attached as Exhibit A. This charter was modified by the Board of Directors in November 2002 to take into account the Sarbanes-Oxley Act of 2002, the rules proposed and adopted by the Securities and Exchange Commission and the rules proposed by the New York Stock Exchange.

In March 2003, the Board of Directors appointed a Compensation Committee that consists of Daniel C. Staton (chairman), Robert J. Abernethy, Dann V. Angeloff and Uri P. Harkham and a Nominating/Corporate Governance Committee that consists of Dann V. Angeloff (chairman) and William C. Baker. The primary functions of the Compensation Committee are to determine the salary and bonus compensation for the Company's executive officers and to administer the Company's stock option and incentive plans. The primary functions of the Nominating/Corporate Governance Committee are to select the director nominees for each annual shareholder meeting and to develop a set of corporate governance principles applicable to the Company. The Nominating/Corporate Governance Committee also considers shareholder suggestions for nominees for director (other than self-nominations). Suggestions should be submitted to the Secretary of the Company, 701 Western Avenue, Glendale, California 91201. Suggestions received by the Secretary's office before December 31, will be considered by the Committee at a regular meeting in the following year, before the proxy materials are mailed to shareholders.

Until March 2003, executive officers received grants of awards under the stock option and incentive plans with the approval of the Executive Equity Awards Committee. After March 2003, the Compensation Committee assumed the functions of the Executive Equity Awards Committee.

The Board of Directors determined that each of the members of the Audit Committee, the Compensation Committee and the Nominating/Corporate Governance Committee qualifies as independent under the proposed rules of the New York Stock Exchange. In arriving at this conclusion the Board considered Dann V. Angeloff's relationships with the Company. Mr. Angeloff is the President of the Angeloff Company, a corporate financial advisory firm that has rendered financial advisory and securities brokerage services for the Company. The Angeloff Company is no longer rendering services for the Company. Mr. Angeloff continues as the general partner of a limited partnership that owns a mini-warehouse operated by the Company and which secures a note owned by the Company. Based on the size of Mr. Angeloff's interest in the partnership (20%), the amount of property management fees paid by the limited partnership to the Company (less than \$50,000 per year) and the circumstances of the Company's acquisition of the note (purchase from a third party), the Board determined that Mr. Angeloff's relationships with the Company are not material.

The Board of Directors determined that the chairman of the Audit Committee, Robert J. Abernethy, qualifies as an audit committee financial expert within the meaning of the rules of the Securities and Exchange Commission.

The Company's non-management directors intend to meet without the presence of management. These meetings will be held on a regular basis.

In March 2003, the Board of Directors adopted a code of ethics for its senior financial officers. The code covers those persons serving as the Company's principal executive officer, principal financial officer and principal accounting officer, currently Ronald L. Havner, Jr. and John Reyes.

Compensation of Directors

Each of the Company's directors, other than B. Wayne Hughes, Ronald L. Havner, Jr., Harvey Lenkin and Marvin M. Lotz, receives director's fees of \$19,000 per year plus \$450 for each meeting attended. In addition, each of the members of the Audit Committee (other than the chairman, who receives \$1,300 per meeting) receives \$1,000 for each meeting of the Audit Committee attended. The compensation of the members of the Compensation Committee and Nominating/Corporate Governance Committee has not been determined. The policy of the Company is to reimburse directors for reasonable expenses. Under the 2001 Stock Option and Incentive Plan, each director who is not an officer or employee of the Company ("Outside Director") is, upon the date of his or her initial election to serve as an Outside Director, automatically granted non-qualified options to purchase 15,000 shares of Common Stock. In addition, after each annual meeting of shareholders, each Outside Director then duly elected and serving is automatically granted, as of the date of such annual meeting, non-qualified options to purchase 2,500 shares of Common Stock, so long as such person has attended, in person or by telephone, at least 75% of the meetings held by the Board of Directors during the immediately preceding calendar year.

Employment Agreement

B. Wayne Hughes, the Chairman of the Board and former Chief Executive Officer of the Company, entered into an employment agreement with the Company in November 1995 in connection with the merger of Public Storage Management, Inc. into the Company. This agreement was for a term of five years (which ended in November 2000) and provided for annual compensation of \$60,000.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

In March 2003, the Board of Directors appointed a Compensation Committee consisting of Daniel C. Staton (chairman), Robert J. Abernethy, Dann V. Angeloff and Uri P. Harkham. None of these directors is or has ever been an employee of the Company. No executive officer of the Company serves on the compensation committee or board of directors of any other entity which has an executive officer who also serves on the Compensation Committee or Board of Directors of the Company.

Messrs. Hughes, Havner, Lenkin, Lotz and Hughes, Jr., who were officers of the Company, are members of the Board of Directors.

Certain Relationships and Related Transactions

Development Joint Venture with Affiliate. In November 1999, the Company, through two wholly owned entities, PS Pennsylvania Trust and PS Texas Holdings, Ltd. (collectively, "PSA"), formed a joint venture (the "Development JV") that developed and owns approximately \$109 million of mini-warehouses and \$100 million of shares of the Company's Equity Stock, Series AAA. The partners of the Development JV are PSA and a limited liability company (the "Investor LLC"). The members of the Investor LLC are a state pension plan (the "Investor") and B. Wayne Hughes. The Development JV was capitalized with approximately \$202 million; PSA contributed approximately \$104 million and has a 51% ownership interest and the Investor LLC contributed approximately \$98 million and has a 49% ownership interest. The term of the Development JV is 15 years. The Investor LLC has the right at the end of the sixth year to cause an early termination of the Development JV. Operating cash flow (as defined) from the Development JV is distributed as follows: (1) during the first through sixth years of the Development JV, (a) 100% to the Investor LLC until the Investor LLC has received cumulative distributions equal to a 10% compounded return on its investment and (b) then, 100% to be reinvested by the Development JV; and (2) during the seventh through the 15th years of the Development JV, (a) 100% to the Investor LLC until the Investor LLC has received cumulative distributions equal to a 10% compounded return on its investment as determined through the first six years, (b) then, 100% to PSA until PSA has received cumulative distributions equal

to a 10% compounded return on its investment as determined through the first six years and (c) then, 49% to the Investor LLC and 51% to PSA. During 2002, distributions from the Development JV to the Investor totaled \$9.2 million. Of the total capitalization of the Investor LLC of approximately \$98 million, Mr. Hughes contributed approximately \$64.1 million and the balance was contributed by the Investor. Operating cash flow (as defined) from the Investor LLC is distributed as follows: (1) 100% to Mr. Hughes until he has received cumulative distributions equal to a 7.9972% compounded annual return on his unreturned investment and (2) then, 99% to the Investor and 1% to Mr. Hughes (his 1% interest is estimated to be less than \$50,000 per year). If the Investor does not elect to cause an early termination, Mr. Hughes' 1% interest can increase to up to 10%. During 2002, distributions from the Investor LLC to the Investor and to Mr. Hughes were \$4.3 million and \$4.8 million respectively. Mr. Hughes invested in the Investor LLC at the request of the Investor, and the transaction was approved by the Company's disinterested directors based on advice from a financial advisor. Mr. Hughes also has an indirect interest in the Development JV through his family's ownership of approximately 37.1% of the Common Stock of the Company.

REPORT OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

B. Wayne Hughes served as Chief Executive Officer of the Company until November 7, 2002 when he was succeeded by Ronald L. Havner, Jr. Subject to certain considerations applicable to Mr. Hughes as discussed below, the Company pays its executive officers compensation deemed appropriate in view of the nature of the Company's business, the performance of individual executive officers, and the Company's objective of providing incentives to its executive officers to achieve a level of individual and Company performance that will maximize the value of shareholders' investment in the Company. To those ends, the Company's compensation program consists of payment of a base salary and, potentially, bonus compensation, and making incentive awards of options to purchase Common Stock under the 2001 Stock Option and Incentive Plan (the "2001 Plan").

Cash Compensation. Base salary levels are based generally (other than in the case of Mr. Hughes) on market compensation rates and each individual's role in the Company. The Company determines market compensation rates by reviewing public disclosures of compensation paid to executive officers by other REITs of comparable size and market capitalization. Some of the REITs whose executive compensation the Company considered in establishing the compensation it pays to executive officers are included in the NAREIT Equity Index referred to below under the caption "Stock Price Performance Graph." Generally, the Company seeks to compensate its executives at levels consistent with the middle of the range of amounts paid by REITs deemed comparable by the Company. Individual salaries may vary based on the experience and contribution to overall corporate performance by a particular executive officer.

For 2002, the base compensation of Mr. Hughes, who served as Chief Executive Officer of the Company until November 2002, was established with reference to his employment agreement (which expired in November 2000) at \$60,000. The compensation paid to Mr. Hughes is less than that paid to the chief executive officers of other publicly traded REITs and reflected the judgment of the Board of Directors and Mr. Hughes that his performance was rewarded primarily through his significant equity stake in the Company.

Mr. Havner became Chief Executive Officer of the Company in November 2002. He continues to serve as Chief Executive Officer of PSB. Mr. Havner's compensation was determined to be appropriate based on a review of total compensation paid to the chief executive officers of other REITs deemed comparable by the Company, the services being rendered by him for the Company and the compensation paid to him by PSB. The allocation of Mr. Havner's 2002 bonus between PSB and the Company was approved by the Audit Committee.

The Company bases its payment of annual bonuses on corporate, business unit and individual performance. In establishing individual bonuses, the Company takes into account the Company's overall profitability, the Company's internal revenue growth, the Company's revenue growth due to acquisitions, and the executive officer's contribution to the Company's growth and profitability.

Equity-Based Compensation. The Company believes that its executive officers should have an incentive to improve the Company's performance by having an ongoing stake in the success of the Company's

business. The Company seeks to create this incentive by granting to appropriate executive officers stock options that have an exercise price of not less than 100% of the fair market value of the underlying stock on the date of grant, so that the executive officer may not profit from the option unless the price of the Common Stock increases. Options granted by the Company also are designed to help the Company retain executive officers in that options are not exercisable at the time of grant, and achieve their maximum value only if the executive remains in the Company's employ for a period of years. In connection with his election as Chief Executive Officer in November 2002, Mr. Havner was awarded 250,000 stock options under the 2001 Plan. During 2002, the Company did not grant any options to any of the other named executive officers.

The 2001 Plan also authorizes the Company to compensate its executive officers and other employees with grants of restricted stock. Restricted stock would increase in value as the value of the Common Stock increased, and would vest over time provided that the executive officer remained in the employ of the Company. Accordingly, awards of restricted stock would serve the Company's objectives of retaining its executive officers and other employees and motivating them to advance the interests of the Company and its shareholders. The Company did not grant any shares of restricted stock during 2002.

STOCK PRICE PERFORMANCE GRAPH

The graph set forth below compares the yearly change in the Company's cumulative total shareholder return on its Common Stock for the five-year period ended December 31, 2002 to the cumulative total return of the Standard and Poor's 500 Stock Index ("S&P 500 Index") and the National Association of Real Estate Investment Trusts Equity Index ("NAREIT Equity Index") for the same period (total shareholder return equals price appreciation plus dividends). The stock price performance graph assumes that the value of the investment in the Company's Common Stock and each index was \$100 on December 31, 1997 and that all dividends were reinvested. The stock price performance shown in the graph is not necessarily indicative of future price performance.

AUDIT COMMITTEE REPORT

The Board of Directors believes that each of the three directors comprising the Audit Committee of the Board of Directors of the Company qualifies as independent under the rules of the New York Stock Exchange. The Audit Committee operates under a written charter adopted by the Board of Directors in May 2000 and amended and restated in November 2002 (Exhibit A). The members of the Audit Committee are Robert J. Abernethy (Chairman), William C. Baker and Daniel C. Staton. Under authority granted by the Board of Directors, the Audit Committee appoints the Company's independent auditors and approves the audit and non-audit services furnished by the Company's independent auditors.

Management is responsible for the Company's internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met with management and the independent auditors and has reviewed and discussed with them the audited consolidated financial statements. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Company's independent auditors also provided to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent auditors that firm's independence. In addition, the Audit Committee has considered whether the independent auditors' provision of non-audit services to the Company is compatible with the auditors' independence.

Based on the foregoing and the Audit Committee's discussions with management and the independent auditors, the representation of management and the report of the independent auditors, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2002 filed with the Securities and Exchange Commission.

PROPOSAL NO. 2

RATIFICATION OF AUDITORS

The Audit Committee of the Board of Directors, under authority granted by the Board of Directors, has appointed Ernst & Young LLP, independent auditors, to audit the accounts of the Company for the fiscal year ending December 31, 2003.

The Company is asking its shareholders to ratify this appointment because it believes such a proposal is a matter of good corporate practice. If the shareholders do not ratify the appointment of Ernst & Young LLP, the Audit Committee will reconsider whether or not to retain Ernst & Young LLP as the Company's independent auditors, but may determine to do so. Even if the appointment of Ernst & Young LLP is ratified by the shareholders, the Audit Committee may change the appointment at any time during the year if it determines that a change would be in the best interest of the Company and its shareholders.

It is anticipated that representatives of Ernst & Young LLP, which has acted as the independent auditors for the Company since the Company's organization in 1980, will be in attendance at the Annual Meeting of Shareholders and will have the opportunity to make a statement if they desire to do so and to respond to any appropriate inquiries of the shareholders or their representatives.
