Ladies and Gentlemen:

Public Storage (the "Company"), a Maryland real estate investment trust ("REIT"), proposes to issue and sell an aggregate of 11,000,000 shares (the "Firm Shares") of its Depositary Shares (the "Depositary Shares"), each representing 1/1,000 of a 4.875% Cumulative Preferred Share of Beneficial Interest, Series I, stated value \$25,000 per share (the "Preferred Shares"), to you and the other underwriters named in Schedule I hereto (collectively, the "Underwriters") for whom you are acting as Representatives (the "Representatives"). The Company also proposes to sell to the Underwriters, upon the terms and conditions set forth in Section 1(b) hereof, up to an additional 1,650,000 Depositary Shares (the "Additional Shares"). The Firm Shares and the Additional Shares are hereinafter collectively referred to as the "Shares."

The shares of Preferred Shares represented by the Shares will, when issued, be deposited by the Company against delivery of Depositary Receipts (“Depositary Receipts”) to be issued by Computershare Trust Company, N.A., as Depositary (the “Depositary”), under a Deposit Agreement (the “Deposit Agreement”) among the Company, the Depositary, and the holders from time to time of the Depositary Receipts issued thereunder. Each Depositary Receipt will represent one or more Depositary Shares.

The Company wishes to confirm as follows its agreement with you and the other several Underwriters on whose behalf you are acting, in connection with the several purchases of the Shares by the Underwriters.

1. Agreements to Sell and Purchase.

(a) On the basis of the representations, warranties and agreements of the Company herein contained and subject to all the terms and conditions of this Agreement, the Company agrees to sell to the Underwriters and each Underwriter agrees, severally and not jointly, to purchase from the Company, at a purchase price of \$24.3768 per Share (the “purchase price per share”), the number of Firm Shares set forth opposite the name of such Underwriter in Schedule I hereto (or such number of Firm Shares increased as set forth in Section 9 hereof).

(b) The Company also agrees, subject to all the terms and conditions set forth herein, to sell to the Underwriters, and, upon the basis of the representations, warranties and agreements of the Company herein contained and subject to all the terms and conditions set forth herein, the Underwriters shall have the right to purchase from the Company, at the purchase price per share, plus accumulated dividends, if any, on an Additional Share to the date of purchase, pursuant to an option (the “over-allotment option”) which may be exercised at any time and from time to time prior to 9:00 P.M., New York City time, on the 30th day after the date of the Prospectus (as defined in Section 4) (or, if such 30th day shall be a Saturday or Sunday or a holiday, on the next business day thereafter when the New York Stock Exchange (the “NYSE”) is open for trading), up to an aggregate of 1,650,000 Additional Shares. Additional Shares may be purchased only for the purpose of covering over-allotments made in connection with the offering of the Firm Shares. Upon any exercise of the over-allotment option, each Underwriter, severally and not jointly, agrees to purchase from the Company the number of Additional Shares (subject to such adjustments as you may determine in order to avoid fractional shares) which bears the same proportion to the number of Additional Shares to be purchased by the Underwriters as the number of Firm Shares set forth opposite the name of such Underwriter in Schedule I hereto (or such number of Firm Shares increased as set forth in Section 9 hereof) bears to the aggregate number of Firm Shares.

2. Terms of Public Offering.

The Company has been advised by you that the Underwriters propose to make a public offering of their respective portions of the Shares as soon after this Agreement has been entered into and the Registration Statement (as defined herein), and, if necessary, any post-effective amendment to the Registration Statement, has become effective as in your judgment is advisable and initially to offer the Shares upon the terms set forth in the Prospectus (as defined herein).

3. Delivery of the Shares and Payment Therefor.

Delivery to the Underwriters of and payment for the Firm Shares shall be made at the office of Skadden, Arps, Slate, Meagher & Flom LLP, 300 South Grand Avenue, Suite 3400, Los Angeles, CA 90071-3144, at 10:00 A.M., New York City time, on September 12, 2019 (the "Closing Date"). The place of closing for the Firm Shares and the Closing Date may be varied by agreement between you and the Company.

Delivery to the Underwriters of and payment for any Additional Shares to be purchased by the Underwriters shall be made at the aforementioned office of Skadden, Arps, Slate, Meagher & Flom LLP at such time on such date (the "Option Closing Date"), which may be the same as the Closing Date but shall in no event be earlier than the Closing Date nor earlier than three nor later than ten business days after the giving of the notice hereinafter referred to, as shall be specified in a written notice from you on behalf of the Underwriters to the Company of the Underwriters' determination to purchase a number, specified in such notice, of Additional Shares. The place of closing for any Additional Shares and the Option Closing Date for such Shares may be varied by agreement between you and the Company.

Certificates for the Firm Shares and for any Additional Shares to be purchased hereunder shall be registered in such names and in such denominations as you shall request prior to 1:00 P.M., New York City time, on the second business day preceding the Closing Date or any Option Closing Date, as the case may be. Such certificates shall be made available to you in New York City for inspection and packaging not later than 9:30 A.M., New York City time, on the business day next preceding the Closing Date or any Option Closing Date, as the case may be. The certificates evidencing the Firm Shares and for any Additional Shares to be purchased hereunder shall be delivered to you on the Closing Date or the Option Closing Date, as the case may be, against payment of the purchase price therefor by wire transfer of immediately available funds to the order of the Company.

4. Representations and Warranties of the Company. The Company represents, warrants and covenants to the Underwriters as set forth below. Certain terms used in this Section 4 are defined in paragraph (gg) hereof.

(a) The Company has filed with the Securities and Exchange Commission (the "Commission") a registration statement, registration number 333-231510, on Form S-3, including the related prospectus included in the Registration Statement, for the registration under the Securities Act of 1933, as amended (the "Act"), of the offering and sale of, inter alia, the Shares. The Company has filed with, or transmitted for filing to, or shall promptly hereafter file with or transmit for filing to, the Commission a prospectus supplement (the "Prospectus Supplement") specifically relating to the Shares pursuant to Rules 415 and 424 under the Act. The Company has included or will include in such Registration Statement, as amended at the Execution Time, and in the Prospectus Supplement all information required by the Act and the rules thereunder to be included therein with respect to the Shares and the offering thereof. As filed, such Registration Statement, as so amended, and form of final prospectus contained in the Registration Statement and Prospectus Supplement, contains or will contain all required

information with respect to the Shares and the offering thereof and, except to the extent the Representatives shall agree in writing to a modification, shall be in all substantive respects in the form furnished to the Underwriters prior to the date hereof or, to the extent not completed at the Execution Time, shall contain only such specific additional information and other changes as the Company has advised the Representatives, prior to the Execution Time, will be included or made therein.

(b) At the respective times the Registration Statement and each amendment thereto became effective, at each deemed effective date pursuant to Rule 430B and on the Closing Date, the Registration Statement complied and will comply in all material respects with the requirements of the Act and the rules thereunder and did not contain and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading; and, the Prospectus and any amendments or supplements thereto, at the time the Prospectus or any such amendment or supplement was issued and on the Closing Date, and on the Option Closing Date, if applicable, complied and will comply in all material respects with the requirements of the Act and the rules thereunder and did not and will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the Company makes no representations or warranties as to the information contained in or omitted from the Registration Statement or the Prospectus (or any supplement thereto) in reliance upon and in conformity with information furnished in writing to the Company by or on behalf of any Underwriter through the Representatives specifically for inclusion in the Registration Statement or the Prospectus (or any supplement thereto).

(c) As of the Applicable Time (as defined below), the Issuer General Use Free Writing Prospectus(es) (as defined below) issued at or prior to the Applicable Time and the Statutory Prospectus (as defined below) all considered together (collectively, the “General Disclosure Package”), did not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the Company makes no representations or warranties as to the information contained in or omitted from the General Disclosure Package in reliance upon and in conformity with information furnished in writing to the Company by or on behalf of any Underwriter through the Representatives specifically for inclusion therein. As used in this subsection and elsewhere in this Agreement:

“Applicable Time” means 5:15 p.m. (Eastern time) on September 5, 2019 or such other time as agreed by the Company and the Representatives.

“Statutory Prospectus” means the prospectus relating to the Shares contained in the Registration Statement at the Effective Date, including any document incorporated by reference therein and any Preliminary Prospectus.

“Issuer Free Writing Prospectus” means any “issuer free writing prospectus,” as defined in Rule 433 of the Act, relating to the Shares that (i) is required to be filed with the Commission by the Company, (ii) is a “roadshow that is a written communication” within the meaning of Rule 433(d)(8)(i) whether or not required to be filed with the Commission or (iii) is exempt from filing pursuant to Rule 433(d)(5)(i) because it contains a description of the Shares

or of the offering that does not reflect the final terms, in each case in the form filed or required to be filed with the Commission or, if not required to be filed, in the form retained by the Company's records pursuant to Rule 433(g) of the Act.

"Issuer General Use Free Writing Prospectus" means any Issuer Free Writing Prospectus that is intended for general distribution to prospective investors, as evidenced by its being specified in Schedule II hereto.

Each Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the public offer and sale of the Shares or until any earlier date that the Company notified or notifies the Representatives, did not, does not and will not include any information that conflicted, conflicts or will conflict with any information contained in the Registration Statement or the Prospectus, including any document incorporated by reference therein and any preliminary or other prospectus deemed to be a part thereof that has not been superseded or modified.

(d) (i) At the time of filing of the Registration Statement, (ii) at the time of the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or form of prospectus), (iii) at the time the Company or any person acting on its behalf (within the meaning, for this clause only, of Rule 163(c) of the Act) made any offer relating to the Shares in reliance on the exemption of Rule 163 of the Act and (iv) at the date hereof, the Company was and is a "well-known seasoned issuer" as defined in Rule 405 of the Act. The Registration Statement is an "automatic shelf registration statement," as defined in Rule 405 of the Act and the Shares, since their registration on the Registration Statement, have been and remain eligible for registration by the Company on a Rule 405 of the Act "automatic shelf registration statement." The Company has not received from the Commission any notice pursuant to Rule 401(g)(2) of the Act objecting to the use of the automatic shelf registration statement form. (i) At the earliest time after the filing of the Registration Statement that the Company or another offering participant made a bona fide offer (within the meaning of Rule 164(h)(2) of the Act) of the Shares and (ii) at the date hereof, the Company was not and is not an "ineligible issuer," as defined in Rule 405 of the Act, including the Company or any other subsidiary in the preceding three years not having been convicted of a felony or misdemeanor or having been made the subject of a judicial or administrative decree or order as described in Rule 405 of the Act.

(e) The Registration Statement has become effective under the Act, and no stop order suspending the effectiveness of the Registration Statement is in effect and no proceedings for such purpose are, to the knowledge of the Company, pending before or threatened by the Commission.

(f) The documents incorporated or deemed to be incorporated by reference in the Registration Statement, the Prospectus and the General Disclosure Package, at the time they were or hereafter are filed with the Commission, complied and will comply in all material respects with the requirements of the Exchange Act, and the rules and regulations of the Commission thereunder and, when read together with the other information in the General Disclosure Package, at the Applicable Time, and with the Prospectus, at the date of the

Prospectus, on the Closing Date, and on the Option Closing Date, if applicable, did not and will not include an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances, under which they were made, not misleading.

Each of the Company, the Subsidiaries, and the partnerships listed on Annex B hereto (the “Partnerships”) has been duly organized and is validly existing in good standing under the laws of the jurisdiction in which it is organized, with full power and authority to own or lease and occupy its properties and conduct its business as described in the Prospectus, and is duly qualified to do business, and is in good standing, in each jurisdiction which requires such qualification, except where the failure to so qualify would not, individually or in the aggregate, have a material adverse effect on the business, operations, earnings, assets or financial condition of the Company (a “Material Adverse Effect”). (cc) The Company, each of the Subsidiaries and each of the Partnerships have filed all tax returns required to be filed (except to the extent extensions have been timely filed related thereto), which returns are complete and correct in all material respects, and neither the Company, any Partnership nor any Subsidiary is in default in the payment of any taxes which were payable pursuant to said returns or any assessments with respect thereto.

(dd) Assuming due authorization, execution and delivery of the Deposit Agreement by the Depositary, each Share will represent an interest in 1/1,000 of a share of a validly issued, outstanding, fully paid and nonassessable Preferred Share; assuming due execution and delivery of the Depositary Receipts by the Depositary pursuant to the Deposit Agreement, the Depositary Receipts will entitle the holders thereof to the benefits provided therein and in the Deposit Agreement.

5. Agreements of the Company. The Company agrees with the Underwriters as follows:

(a) The Company will not, either prior to the Effective Date or thereafter during such period as the Prospectus is required by law to be delivered in connection with sales of the Shares by any Underwriter or any dealer (including in circumstances where such requirement may be satisfied pursuant to Rule 172), file any amendment or supplement to the Registration Statement or the Prospectus, unless a copy thereof shall first have been submitted to the Representatives within a reasonable period of time prior to the filing thereof and the Representatives shall not have objected thereto in good faith.

(b) The Company will notify the Representatives promptly, and will confirm such advice in writing, (1) when any post-effective amendment to the Registration Statement becomes effective, (2) of the receipt of any comments from or any request by the Commission for amendments or supplements to the Registration Statement, any Preliminary Prospectus or the Prospectus or for additional information, (3) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement, any notice objecting to its use or the initiation of any proceedings for that purpose or the threat thereof, (4) of the happening of any event during the period mentioned in the second sentence of Section 5(e) that in the judgment of the Company makes any statement made in the Registration Statement, any Preliminary Prospectus or the Prospectus untrue or that requires the making of any changes in the Registration Statement, any Preliminary Prospectus or the Prospectus in order to make the statements therein, in light of the circumstances in which they are made, not misleading, and (5) of receipt by the Company or any representative or attorney of the Company of any other communication from the Commission relating to the Company, the Registration Statement, any Preliminary Prospectus or the Prospectus. If at any time the Commission shall issue any order suspending the effectiveness of the Registration Statement, the Company will make every reasonable effort to obtain the withdrawal of such order at the earliest possible moment.

(c) The Company will furnish to the Representatives, without charge, four copies of the signed copies of the Registration Statement and of any post-effective amendment thereto, including financial statements and schedules, and all exhibits thereto (including any document filed under the Exchange Act and deemed to be incorporated by reference into the Prospectus) and will furnish to the Representatives, without charge, for transmittal to each of the other Underwriters, copies of the Registration Statement and any post-effective amendment thereto, including financial statements and schedules but without exhibits.

(d) The Company will comply with all the provisions of any undertakings contained in the Registration Statement.

(e) The Company will deliver to each of the Underwriters, without charge, as many copies of the Prospectus, each Issuer Free Writing Prospectus or any amendment or supplement thereto as the Representatives may reasonably request. The Company consents to

the use of the Prospectus, each Issuer Free Writing Prospectus or any amendment or supplement thereto by the several Underwriters and by all dealers to whom the Shares may be sold, both in connection with the offering or sale of the Shares and for any period of time thereafter during which the Prospectus is required by law to be delivered in connection therewith (including in circumstances where such requirement may be satisfied pursuant to Rule 172 of the Act). If during such period of time any event shall occur which in the judgment of the Company or counsel to the Underwriters should be set forth in the Prospectus in order to make any statement therein, in the light of the circumstances under which it was made, not misleading, or if it is necessary to supplement or amend the Prospectus to comply with law, subject to the provisions of Section 5(a) hereof, the Company will forthwith prepare and duly file with the Commission an appropriate supplement or amendment thereto, and will deliver to the Underwriters, without charge, such number of copies thereof as the Representatives may reasonably request. The Company shall not file any document under the Exchange Act before the termination of the offering of the Shares by the Underwriters if such document would be deemed to be incorporated by reference into the Prospectus which is not approved by the Representatives after reasonable notice thereof. If there occurs an event or development as a result of which the General Disclosure Package would include an untrue statement of a material fact or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances then prevailing, not misleading, the Company will notify promptly the Representatives so that any use of the General Disclosure Package may cease until it is amended or supplemented. The Company will prepare a final term sheet (the "Final Term Sheet") reflecting the final terms of the Shares, in form and substance satisfactory to the Representatives, and shall file such Final Term Sheet as an Issuer Free Writing Prospectus pursuant to Rule 433 prior to the close of business two business days after the date hereof; provided that the Company shall provide the Representatives with copies of any such Final Term Sheet a reasonable amount of time prior to such proposed filing and will not use or file any such document to which the Representatives or counsel to the Underwriters shall reasonably object.

(f) The Company will cooperate with the Representatives and counsel to the Underwriters in connection with the registration or qualification of the Shares and the Preferred Shares for offer and sale under the securities or Blue Sky laws of such jurisdictions as the Representatives may reasonably request; provided, that in no event shall the Company be obligated to qualify to do business in any jurisdiction where it is not now so qualified or to take any action which would subject it to general service of process in any jurisdiction where it is not now so subject.

(g) During the period of five years commencing on the date hereof, the Company will furnish to each of the Representatives and each other Underwriter who may so request copies of such financial statements and other periodic and special reports as the Company may from time to time distribute generally to the holders of any class of its capital stock, and will furnish to each of the Representatives and each other Underwriter who may so request a copy of each annual or other report it shall be required to file with the Commission.

(h) The Company will make generally available to holders of its securities as soon as may be practicable but in no event later than the last day of the fifteenth full calendar month following the calendar quarter in which the Effective Date falls, an earnings statement (which need not be audited but shall be in reasonable detail), with respect to the Company, the

Subsidiaries and the Partnerships, for a period of 12 months commencing after the Effective Date of the Registration Statement, and satisfying the provisions of Section 11(a) of the Act (including Rule 158 thereunder) and will file such earnings statement as an exhibit to the next periodic report required by Section 13 or 15(d) of the Exchange Act covering the period when the earnings statement is released.

(i) If this Agreement shall terminate or shall be terminated after execution pursuant to any provisions hereof (otherwise than pursuant to the second paragraph of Section 9 hereof or by notice given by you terminating this Agreement pursuant to Section 9 or Section 10 hereof) or if this Agreement shall be terminated by the Underwriters because of any failure or refusal on the part of the Company to comply with the terms or fulfill any of the conditions of this Agreement, the Company agrees to reimburse the Representatives for all out-of-pocket expenses (including fees and expenses of counsel for the Underwriters) reasonably incurred by you in connection herewith.

(j) The Company will not at any time, directly or indirectly, take any action intended, or which might reasonably be expected, to cause or result in, or which will constitute, stabilization of the price of the Shares to facilitate the sale or resale of any of the Shares in violation of the Act.

(k) The Company will apply the net proceeds from the offering and sale of the Shares in the manner set forth in the General Disclosure Package and the Prospectus under "Use of Proceeds."

(l) The Company will use its best efforts to effect within 30 days following the Closing Date the listing of the Shares on the NYSE.

(m) The Company represents and agrees that, unless it obtains the prior written consent of the Representatives, and each Underwriter, severally and not jointly, represents and agrees with the Company that, unless it has obtained or will obtain, as the case may be, the prior written consent of the Company and the Representatives, it has not made and will not make any offer relating to the Shares that would constitute an Issuer Free Writing Prospectus or that would otherwise constitute a "free writing prospectus" (as defined in Rule 405 of the Act) required to be filed by the Company with the Commission or retained by the Company under Rule 433 of the Act. Any such free writing prospectus consented to by the Representatives or the Company is hereinafter referred to as a "Permitted Free Writing Prospectus." The Company agrees that (x) it has treated and will treat, as the case may be, each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus and (y) it has complied and will comply, as the case may be, with the requirements of Rules 164 and 433 of the Act applicable to any Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping. The Company consents to the use by any Underwriter of a free writing prospectus that (a) is not an Issuer Free Writing Prospectus as defined in Rule 433, and (b) contains only (i) information describing the preliminary terms of the Shares or their offering or (ii) information that describes the final terms of the Shares or their offering and that is included in the Final Term Sheet of the Company contemplated in Section 5(e).

(i) The Company shall not have failed at or prior to the Closing Date to have performed or complied with any of its agreements herein contained or contained in the Deposit Agreement and required to be performed or complied with by it hereunder or thereunder at or prior to the Closing Date.

(j) The Company shall have furnished or caused to be furnished to you such further certificates and documents as you shall have requested.

All such opinions, certificates, letters and other documents will be in compliance with the provisions hereof only if they are satisfactory in form and substance to you and your counsel.

Any certificate or document signed by any officer of the Company and delivered to you, as Representatives of the Underwriters, or to counsel for the Underwriters, shall be deemed a representation and warranty by the Company to each Underwriter as to the statements made therein.

The several obligations of the Underwriters to purchase Additional Shares hereunder are subject to the satisfaction on and as of any Option Closing Date of the conditions set forth in this Section 6, except that, if any Option Closing Date is other than the Closing Date, the certificates, opinions and letters referred to in paragraphs (d) through (h) shall be dated the Option Closing Date in question and the opinions called for by paragraphs (d), (e) and (f) shall be revised to reflect the sale of Additional Shares.

(a) The Company agrees to indemnify and hold harmless each of you and each other Underwriter and each person, if any, who controls any Underwriter within the meaning of Section 15 of the Act or Section 20 of the Exchange Act from and against any and all losses, claims, damages, liabilities and expenses (including reasonable costs of investigation) arising out of or based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, any Preliminary Prospectus, the Prospectus or any Issuer Free Writing Prospectus or in any amendment or supplement thereto, or arising out of or based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as such losses, claims, damages, liabilities or expenses arise out of or are based upon any untrue statement or omission or alleged untrue statement or omission which has been made therein or omitted therefrom in reliance upon and in conformity with the information relating to such Underwriter furnished in writing to the Company by or on behalf of any Underwriter through you expressly for use in connection therewith. The foregoing indemnity agreement shall be in addition to any liability which the Company may otherwise have.

(b) If any action, suit or proceeding shall be brought against any Underwriter or any person controlling any Underwriter in respect of which indemnity may be sought against the Company, such Underwriter or such controlling person shall promptly notify the Company (but failure to so notify the Company shall not relieve the Company from any liability hereunder to the extent it is not materially prejudiced as a result thereof and in any event shall not relieve it from any liability which it may have otherwise than on account of this indemnity agreement) and the Company shall assume the defense thereof, including the employment of counsel and payment of all fees and expenses; provided, however, that if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be one or more legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, the indemnifying party shall not have the right to direct the defense of such action on behalf of such indemnified party or parties and such indemnified party or parties shall have the right to select separate counsel to defend such action on behalf of such indemnified party or parties. Such Underwriter or any such controlling person shall have the right to employ separate counsel in any such action, suit or proceeding and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Underwriter or such controlling person unless (i) the Company has agreed in writing to pay such fees and expenses, (ii) the Company has failed promptly to assume the defense and employ counsel, or (iii) the named parties to any such action, suit or proceeding (including any impleaded parties) include both such Underwriter or such controlling person and the Company and such Underwriter or such controlling person shall have been advised by its counsel that representation of such

indemnified party and the Company by the same counsel would be inappropriate under applicable standards of professional conduct (whether or not such representation by the same counsel has been proposed) due to actual or potential differing interests between them (in which case the Company shall not have the right to assume the defense of such action, suit or proceeding on behalf of such Underwriter or such controlling person). It is understood, however, that the Company shall, in connection with any one such action, suit or proceeding or separate but substantially similar or related actions, suits or proceedings in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of only one separate firm of attorneys (in addition to any local counsel) at any time for all such Underwriters and controlling persons not having actual or potential differing interests with you or among themselves, which firm shall be designated in writing by the Representatives, and that all such fees and expenses shall be reimbursed as they are incurred. The Company shall not be liable for any settlement of any such action, suit or proceeding effected without its written consent, but if settled with such written consent, or if there be a final judgment for the plaintiff in any such action, suit or proceeding, the Company agrees to indemnify and hold harmless any Underwriter, to the extent provided in the preceding paragraph, and any such controlling person from and against any loss, claim, damage, liability or expense by reason of such settlement or judgment.

(c) Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, its directors, its officers who sign the Registration Statement, and any person who controls the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, to the same extent as the foregoing indemnity from the Company to each Underwriter, but only with respect to information relating to such Underwriter furnished in writing by or on behalf of such Underwriter through you expressly for use in the Registration Statement, the Prospectus, any Preliminary Prospectus or any Issuer Free Writing Prospectus, or any amendment or supplement thereto. If any action, suit or proceeding shall be brought against the Company, any of its directors, any such officer, or any such controlling person based on the Registration Statement, the Prospectus, any Preliminary Prospectus, or any Issuer Free Writing Prospectus or any amendment or supplement thereto, and in respect of which indemnity may be sought against any Underwriter pursuant to this paragraph (c), such Underwriter shall have the rights and duties given to the Company by paragraph (b) above (except that if the Company shall have assumed the defense thereof such Underwriter shall not be required to do so, but may employ separate counsel therein and participate in the defense thereof, but the fees and expenses of such counsel shall be at such Underwriter's expense), and the Company, its directors, any such officer, and any such controlling person shall have the rights and duties given to the Underwriters by paragraph (b) above. The foregoing indemnity agreement shall be in addition to any liability which the Underwriters may otherwise have.

(d) If the indemnification provided for in this Section 7 is unavailable to an indemnified party under paragraph (a) or (c) hereof in respect of any losses, claims, damages, liabilities or expenses referred to therein, then an indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or expenses (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other hand from the offering of the Shares, or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to

reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and the Underwriters on the other in connection with the statements or omissions that resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the table on the cover page of the Prospectus. The relative fault of the Company on the one hand and the Underwriters on the other hand shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or by the Underwriters on the other hand and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by a pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities and expenses referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating any claim or defending any such action, suit or proceeding. Notwithstanding the provisions of this Section 7, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price of the Shares underwritten by it and distributed to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to this Section 7 are several in proportion to the respective numbers of Firm Shares set forth opposite their names in Schedule I hereto (or such numbers of Firm Shares increased as set forth in Section 9 hereof) and not joint.

(f) No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened action, suit or proceeding in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such action, suit or proceeding and does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(g) If at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, such indemnifying party agrees that it shall be liable for any settlement of the nature contemplated by Section 7(b) effected without its written consent if (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall

have received notice of the terms of such settlement at least 30 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed such indemnified party in accordance with such request prior to the date of such settlement. Notwithstanding the immediately preceding sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, an indemnifying party shall not be liable for any settlement of the nature contemplated by Section 7(b) effected without its consent if such indemnifying party (i) reimburses such indemnified party in accordance with such request to the extent such indemnifying party considers such request to be reasonable and (ii) provides written notice to the indemnified party substantiating the unpaid balance as unreasonable, in each case prior to the date of such settlement.

(h) Any losses, claims, damages, liabilities or expenses for which an indemnified party is entitled to indemnification or contribution under this Section 7 shall be paid by the indemnifying party to the indemnified party as such losses, claims, damages, liabilities or expenses are incurred. The indemnity and contribution agreements contained in this Section 7 and the representations and warranties of the Company set forth in this Agreement shall remain operative and in full force and effect, regardless of (i) any investigation made by or on behalf of any Underwriter or any person controlling any Underwriter, the Company, its directors or officers, or any person controlling the Company, (ii) acceptance of any Shares and payment therefor hereunder, and (iii) any termination of this Agreement. A successor to any Underwriter or any person controlling any Underwriter, or to the Company, its directors or officers, or any person controlling the Company, shall be entitled to the benefits of the indemnity, contribution and reimbursement agreements contained in this Section 7.

8. Expenses.

The Company agrees to pay the following costs and expenses and all other costs and expenses incident to the performance by it of its obligations hereunder: (i) the preparation, printing or reproduction, and filing with the Commission of the Registration Statement (including financial statements and exhibits thereto), the Preliminary Prospectus, the Prospectus, any Permitted Free Writing Prospectus and each amendment or supplement to any of them; (ii) the printing (or reproduction) and delivery (including postage, air freight charges and charges for counting and packaging and any costs associated with electronic delivery) of such copies of the Registration Statement, the Preliminary Prospectus, the Prospectus, any Permitted Free Writing Prospectus, the Incorporated Documents, and all amendments or supplements to any of them, as may be reasonably requested for use in connection with the offering and sale of the Shares; (iii) the preparation, printing, authentication, issuance and delivery of certificates for the Shares and the Preferred Shares, including any stamp taxes in connection with the original issuance and sale of the Shares and the Preferred Shares; (iv) the printing (or reproduction) and delivery of this Agreement, the preliminary and supplemental Blue Sky Memoranda, the Deposit Agreement and all other agreements or documents printed (or reproduced) and delivered in connection with the offering of the Shares and the Preferred Shares; (v) the fees and expenses of the Depositary, including the fees and disbursements of counsel for the Depositary, if any; (vi) the registration of the Shares under the Exchange Act and the listing of the Shares on the NYSE; (vii) the registration or qualification of the Shares and the Preferred Shares for offer and sale under the securities or Blue Sky laws of the several states as provided in Section 5(f) hereof (including the reasonable fees, expenses and disbursements of counsel for the Underwriters relating to the

preparation, printing or reproduction, and delivery of the preliminary and supplemental Blue Sky Memoranda and such registration and qualification); (viii) the filing fees and the fees and expenses of counsel for the Underwriters in connection with any filings required to be made with the Financial Industry Regulatory Authority, Inc.; (ix) the transportation and other expenses incurred by or on behalf of Company representatives in connection with presentations to prospective purchasers of the Shares; (x) the fees and expenses of the Company's accountants and the fees and expenses of counsel (including local and special counsel) for the Company; and (xi) the costs and expenses (including without limitation any damages or other amounts payable in connection with legal or contractual liability) associated with the reforming of any contracts for sale of the Shares made by the Underwriters caused by a breach of the representation in Section 4(c).

9. Effective Date of Agreement.

This Agreement shall become effective: (i) upon the execution and delivery hereof by the parties hereto; or (ii) if, at the time this Agreement is executed and delivered, it is necessary for a post-effective amendment to the Registration Statement to be declared or become effective before the offering of the Shares may commence, when notification of the effectiveness of such post-effective amendment has been released by the Commission. Until such time as this Agreement shall have become effective, it may be terminated by the Company, by notifying you, or by you, as Representatives of the several Underwriters, by notifying the Company.

If any one or more of the Underwriters shall fail or refuse to purchase Shares which it or they are obligated to purchase hereunder on the Closing Date, and the aggregate number of Shares which such defaulting Underwriter or Underwriters are obligated but fail or refuse to purchase is not more than one-tenth of the aggregate number of Shares which the Underwriters are obligated to purchase on the Closing Date, each non-defaulting Underwriter shall be obligated, severally, in the proportion which the number of Firm Shares set forth opposite its name in Schedule I hereto bears to the aggregate number of Firm Shares set forth opposite the names of all non-defaulting Underwriters, to purchase the Shares which such defaulting Underwriter or Underwriters are obligated, but fail or refuse, to purchase. If any one or more of the Underwriters shall fail or refuse to purchase Shares which it or they are obligated to purchase on the Closing Date and the aggregate number of Shares with respect to which such default occurs is more than one-tenth of the aggregate number of Shares which the Underwriters are obligated to purchase on the Closing Date and arrangements satisfactory to you and the Company for the purchase of such Shares by one or more non-defaulting Underwriters or other party or parties approved by you and the Company are not made within 36 hours after such default, this Agreement will terminate without liability on the part of any non-defaulting Underwriter or the Company. In any such case which does not result in termination of this Agreement, either you or the Company shall have the right to postpone the Closing Date, but in no event for longer than seven days, in order that the required changes, if any, in the Registration Statement and the Prospectus or any other documents or arrangements may be effected. Any action taken under this paragraph shall not relieve any defaulting Underwriter from liability in respect of any such default of any such Underwriter under this Agreement. The term "Underwriter" as used in this Agreement includes, for all purposes of this Agreement, any party not listed in Schedule I hereto who, with your approval and the approval of the Company, purchases Shares which a defaulting Underwriter is obligated, but fails or refuses, to purchase.

Any notice under this Section 9 may be given by telegram, teletype or telephone but shall be subsequently confirmed by letter.

10. Termination.

This Agreement shall be subject to termination in your absolute discretion, without liability on the part of any Underwriter to the Company by notice to the Company, if prior to the Closing Date or any Option Closing Date (if different from the Closing Date and then only as to the Additional Shares, as the case may be), (i) there has been, since the time of execution of this Agreement or since the respective dates as of which information is given in the Prospectus or the General Disclosure Package, any material adverse change, or any development involving a prospective material adverse change, in the condition, financial or otherwise, or in the business, properties, net worth or results of operations of the Company, the Subsidiaries or the Partnerships, whether or not arising in the ordinary course of business, (ii) trading in securities generally on the NYSE, the NYSE American, Nasdaq Global Select Market or the Nasdaq Global Market shall have been suspended or materially limited, (iii) a general moratorium on commercial banking activities in New York or California shall have been declared by either federal or state authorities, or (iv) there shall have occurred any outbreak or escalation of hostilities or other international or domestic calamity, crisis or change in political, financial or economic conditions, the effect of which on the financial markets of the United States is such as to make it, in your judgment, impracticable or inadvisable to commence or continue the offering of the Shares at the offering price to the public set forth on the cover page of the Prospectus or to enforce contracts for the resale of the Shares by the Underwriters. Notice of such termination may be given to the Company by telegram, teletype or telephone and shall be subsequently confirmed by letter.

11. Information Furnished by the Underwriters.

The statements set forth in the last paragraph on the cover page and the statements in the seventh and the eighth paragraph under the caption "Underwriting" in the Prospectus Supplement constitute the only information furnished by or on behalf of the Underwriters through you as such information is referred to in Sections 4(b), 4(c) and 7 hereof.

12. Miscellaneous.

Except as otherwise provided in Sections 3, 9 and 10 hereof, notice given pursuant to any provision of this Agreement shall be in writing and shall be delivered (i) if to the Company, at the office of the Company, Public Storage, 701 Western Avenue, 2nd Floor, Glendale, California 91201-2397, Attention: Legal Department, or (ii) if to you, as Representatives of the several Underwriters, care of: BofA Securities, Inc., 50 Rockefeller Plaza, NY1-050-12-01, New York, NY 10020, Attention: High Grade Transaction Management/Legal; Morgan Stanley & Co. LLC, 1585 Broadway, New York, New York 10036, Attention: Investment Banking Division; UBS Securities LLC, 1285 Avenue of the Americas, New York, New York 10019, Attention: Fixed Income Syndicate and Wells Fargo Securities, LLC, 550 South Tryon Street, 5th Floor, Charlotte, NC 28202, Attention: Transaction Management.

This Agreement has been and is made solely for the benefit of the several Underwriters, the Company, their respective directors, trustees and officers, and the other controlling persons referred to in Section 7 hereof and their respective successors and assigns, to the extent provided herein, and no other person shall acquire or have any right under or by virtue of this Agreement. Neither the term “successor” nor the term “successors and assigns” as used in this Agreement shall include a purchaser from any Underwriter of any of the Shares in his status as such purchaser.

13. Applicable Law: Counterparts.

This agreement shall be governed by and construed in accordance with the laws of the State of New York, including without limitation Section 5-1401 of the New York General Obligations Law.

This Agreement may be signed in various counterparts which together constitute one and the same instrument. If signed in counterparts, this Agreement shall not become effective unless at least one counterpart hereof shall have been executed and delivered on behalf of each party hereto.

14. No Advisory or Fiduciary Relationships.

The Company hereby acknowledges that (a) the purchase and sale of the Shares pursuant to this Agreement is an arm’s-length commercial transaction between the Company, on the one hand, and the Underwriters and any affiliate through which it may be acting, on the other, (b) the Underwriters are acting as principal and not as an agent or fiduciary of the Company and (c) the Company’s engagement of the Underwriters in connection with the offering and the process leading up to the offering is as independent contractors and not in any other capacity. Furthermore, the Company agrees that it is solely responsible for making its own judgments in connection with the offering of the Shares (irrespective of whether any of the Underwriters has advised or is currently advising the Company on related or other matters). The Company agrees that it will not claim that the Underwriters have rendered advisory services of any nature or respect, or owe an agency, fiduciary or similar duty to the Company, in connection with the offering of the Shares or the process leading thereto.

15. Patriot Act.

In accordance with the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Company, which information may include the name and address of their respective clients, as well as other information that will allow the Underwriters to properly identify their respective clients.

16. Recognition of the U.S. Special Resolution Regimes.

(a) In the event that any Underwriter that is a Covered Entity (as defined below) becomes subject to a proceeding under a U.S. Special Resolution Regime (as defined below), the transfer from such Underwriter of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

(b) In the event that any Underwriter that is a Covered Entity (as defined below) or a BHC Act Affiliate (as defined below) of such Underwriter becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights (as defined below) under this Agreement that may be exercised against such Underwriter are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

For purposes of this Section 16, (w) the term “BHC Act Affiliate” has the meaning assigned to the term “affiliate” in, and shall be interpreted in accordance with, 12 U.S.C. § 1841(k); (x) the term “Covered Entity” means any of the following: (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b); (y) the term “Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable; and (z) the term “U.S. Special Resolution Regime” means each of (i) the Federal Deposit Insurance Act and the regulations promulgated thereunder and (ii) Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act and the regulations promulgated thereunder.

Section 3: EX-3.1 (EX-3.1)

Exhibit 3.1

PUBLIC STORAGE

4.875% CUMULATIVE PREFERRED SHARES, SERIES I

ARTICLES SUPPLEMENTARY

PUBLIC STORAGE, a Maryland real estate investment trust (the "Trust"), hereby certifies to the State Department of Assessments and Taxation of Maryland that:

FIRST: The articles of amendment and restatement of the Trust's declaration of trust (the "Declaration of Trust") authorize the issuance of 100,000,000 preferred shares of beneficial interest, par value \$0.01 per share (the "Preferred Shares"), issuable from time to time in one or more series (each a "Series"), and authorize the Trust's board of trustees (the "Board of Trustees") to classify or reclassify any unissued shares from time to time by setting or changing the preferences, conversion or other rights, voting powers, restrictions, limitations as to distributions, qualifications, or terms or conditions of redemption of such unissued shares.

SECOND: In accordance with Section 8-203 of the Maryland REIT Law and pursuant to the authority expressly vested in the Board of Trustees by the Declaration of Trust, the Board of Trustees has duly divided and classified 12,650 Preferred Shares of the Trust as 4.875% Cumulative Preferred Shares, Series I ("Series I Preferred Shares").

THIRD: The following is a description of the preferences, conversion or other rights, voting powers, restrictions, limitations as to distributions, qualifications, and terms and conditions of redemption of the Series I Preferred Shares of the Trust:

(a) Distribution Rights.

(1) Distributions shall be payable in cash on the shares of this Series when, as and if declared by the Board of Trustees, out of funds legally available therefor: (i) for the period from September 12, 2019 to December 31, 2019, and (ii) for each quarterly distribution period thereafter (each quarterly distribution period thereafter being hereinafter individually referred to as a "Distribution Period" and collectively referred to as "Distribution Periods"), which quarterly Distribution Periods shall be in four equal amounts and shall commence on January 1, April 1, July 1 and October 1 in each year (each, a "Distribution Period Commencement Date"), and shall end on and include the day next preceding the next Distribution Period Commencement Date, at a rate per annum equal to 4.875% of the \$25,000 per share stated value thereof. Distributions on each share of this Series shall be cumulative from September 12, 2019 and shall be payable, without interest thereon, when, as and if declared by the Board of Trustees, on or before March 31, June 30, September 30 and December 31 of each year; provided, that if any such day shall be a Saturday, Sunday, or a day on which banking institutions in the State of New York or the State of California are authorized or obligated by law to close, or a day which is or is declared a national or a New York or California state holiday (any of the foregoing a "Non-Business Day"), then the payment date shall be the next succeeding day which is not a Non-Business Day. Each such distribution shall be paid to the holders of record of shares of this Series as they appear on the share register of the Trust on such record date, not more than 45 days nor less than 15 days preceding the payment date thereof, as shall be fixed by the Board of Trustees. Distributions on account of arrears for any past Distribution Periods may be declared and paid at any time, without reference to any regular distribution payment date, to holders of record on such date, not more than 45 days nor less than 15 days preceding the payment date thereof, as may be fixed by the Board of Trustees. After full cumulative distributions on this Series have been paid or declared and funds therefor set aside for payment, including for the then current Distribution Period, the holders of shares of this Series will not be entitled to any further distributions with respect to that Distribution Period.

(2) Distributions payable on shares of this Series for any period greater or less than a full Distribution Period shall be computed on the basis of a 360-day year consisting of twelve 30-day months.

(3) The Trust shall not declare or pay or set apart for payment any distributions on any Series of Preferred Shares ranking, as to distributions, on a parity with or junior to the shares of this Series unless full cumulative distributions have been or contemporaneously are declared and paid, or declared and a sum sufficient for payment thereof is set apart for payment, on the shares of this Series for all Distribution Periods terminating on or prior to the date of payment of any such distributions on such other Series of Preferred Shares. When distributions are not paid in full upon the shares of this Series and any other Series of Preferred Shares ranking on a parity therewith as to distributions (including, without limitation, the Trust's 5.60% Cumulative Preferred Shares, Series H, 5.05% Cumulative Preferred Shares, Series G, 5.15% Cumulative Preferred Shares, Series F, 4.90% Cumulative Preferred Shares, Series E, 4.95% Cumulative Preferred Shares, Series D, 5.125% Cumulative Preferred Shares, Series C, 5.40% Cumulative Preferred Shares, Series B, 5.875% Cumulative Preferred Shares, Series A, 5.625% Cumulative Preferred Shares, Series U, 5.375% Cumulative Preferred Shares, Series V, 5.20% Cumulative Preferred Shares, Series W, and 5.20% Cumulative Preferred Shares, Series X (all of the foregoing, collectively the "Parity Preferred Shares"), all distributions declared upon shares of this Series and any other Series of Preferred Shares ranking on a parity therewith as to distributions shall be declared pro rata so that the amount of distributions declared per share on the shares of this Series and such other Series of Preferred Shares shall in all cases bear to each other that same ratio that the accumulated distributions per share on the shares of this Series and such other Series of Preferred Shares bear to each other. Except as provided in the preceding sentence, unless full cumulative distributions on the shares of this Series have been paid, or declared and a sum sufficient for payment thereof is set apart for payment, for all past Distribution Periods, no distributions (other than in the Trust's common shares, par value \$0.10 per share (together with any other shares of beneficial interest of the Trust into which such shares shall be reclassified or changed (the "Common Shares")), or shares of beneficial interest ranking junior to the shares of this Series as to distributions and upon liquidation) shall be declared or paid or set aside for payment nor shall any other distribution be made upon the Common Shares or on any other shares of beneficial interest of the Trust ranking junior to or on a parity with the shares of this Series as to distributions or upon liquidation. Unless full cumulative distributions on the shares of this Series have been paid, or declared and a sum sufficient for payment thereof is set apart for payment, for all past Distribution Periods, no Common Shares or any other shares of beneficial interest of the Trust ranking junior to or on a parity with the shares of this Series as to distributions or upon liquidation shall be redeemed, purchased or otherwise acquired for any consideration (or any moneys be paid to or made available for a sinking fund for the redemption of any shares of any such shares of beneficial interest) by the Trust or any subsidiary, except by conversion into or exchange for shares of beneficial interest of the Trust ranking junior to the shares of this Series as to distributions and upon liquidation.

(b) Liquidation. In the event of any voluntary or involuntary liquidation, dissolution, or winding up of the Trust, the holders of the shares of this Series are entitled to receive out of the assets of the Trust available for distribution to shareholders, before any distribution of assets is made to holders of Common Shares or any other class or Series of shares ranking junior to the shares of this Series upon liquidation, liquidating distributions in the amount of \$25,000 per share plus all accumulated and unpaid distributions (whether or not earned or declared) for the then current and all past Distribution Periods. If, upon any voluntary or involuntary liquidation, dissolution, or winding up of the Trust, the amounts payable with respect to the shares of this Series and any other shares of the Trust ranking as to any such distribution on a parity with the shares of this Series are not paid in full, the holders of shares of this Series and of such other shares (including the Parity Preferred Shares) will share ratably in any such distribution of assets of the Trust in proportion to the full respective preferential amounts to which they are entitled. After payment of the full amount of the liquidating distribution to which they are entitled, the holders of shares of this Series will not be entitled to any further participation in any distribution of assets by the Trust.

(1) Written notice of any such liquidation, dissolution or winding up of the Trust, stating the payment date or dates when, and the place or places where the amounts distributable in such circumstances shall be payable, shall be given by first class mail, postage pre-paid, not less than 30 nor more than 60 days prior to the payment date stated therein, to each record holder of the shares of this Series at the respective addresses of such holders as the same shall appear on the share transfer records of the Trust.

(2) For purposes of liquidation rights, a reorganization, consolidation or merger of the Trust with or into any other entity or entities or a sale of all or substantially all of the assets of the Trust shall be deemed not to be a liquidation, dissolution or winding up of the Trust.

(c) Redemption.

(1) Except as provided in clause (9) below, the shares of this Series are not redeemable prior to September 12, 2024. On and after such date, the shares of this Series are redeemable at the option of the Trust, by resolution of the Board of Trustees, in whole or in part, from time to time upon not less than 30 nor more than 60 days' notice, at a cash redemption price of \$25,000 per share plus all accumulated and unpaid distributions (whether or not earned or declared) to the date of redemption.

(2) If fewer than all the outstanding shares of this Series are to be redeemed, the number of shares to be redeemed will be determined by the Board of Trustees, and such shares shall be redeemed pro rata from the holders of record of such shares in proportion to the number of such shares held by such holders (with adjustments to avoid redemption of fractional shares) or by lot in a manner determined by the Board of Trustees.

(3) Notwithstanding the foregoing, if any distributions, including any accumulation, on the shares of this Series are in arrears, no shares of this Series shall be redeemed unless all outstanding shares of this Series are simultaneously redeemed, and the Trust shall not purchase or otherwise acquire, directly or indirectly, any shares of this Series; provided, however, that the foregoing shall not prevent the purchase or acquisition of shares of this Series pursuant to a purchase or exchange offer provided such offer is made on the same terms to all holders of shares of this Series.

(4) Immediately prior to any redemption of shares of this Series, the Trust shall pay, in cash, any accumulated and unpaid distributions through the redemption date, unless a redemption date falls after a distribution payment record date and prior to the corresponding distribution payment date, in which case each holder of shares of this Series at the close of business on such distribution payment record date shall be entitled to the distribution payable on such shares on the corresponding distribution payment date notwithstanding the redemption of such shares before such distribution payment date. Except as expressly provided herein above, the Trust shall make no payment or allowance for unpaid distributions, whether or not in arrears, on shares of this Series called for redemption.

(5) A notice of redemption (which may be contingent on the occurrence of a future event) will be mailed, postage prepaid, not less than 30 nor more than 60 days prior to the redemption date, addressed to the holders of record of the shares of this Series to the respective addresses of such holders as the same shall appear on the share transfer records of the Trust. The failure to give such notice or any defect in the notice or in its mailing will not affect the validity of the proceedings for the redemption of any Preferred Shares except as to the holder to whom notice was defective or not given. Each notice shall state: (i) the redemption date; (ii) the number of shares of this Series to be redeemed; (iii) the redemption price; (iv) the place or places where certificates for such shares are to be surrendered for payment of the redemption price; and (v) that distributions on the shares to be redeemed will cease to accumulate on such redemption date. If fewer than all the shares of this Series held by any holder are to be redeemed, the notice mailed to such holder shall also specify the number of shares of this Series to be redeemed from such holder.

(6) In order to facilitate the redemption of shares of this Series, the Board of Trustees may fix a record date for the determination of the shares to be redeemed, such record date to be not less than 30 nor more than 60 days prior to the date fixed for such redemption.

(7) Notice having been given as provided above, from and after the date fixed for the redemption of shares of this Series by the Trust (unless the Trust shall fail to make available the money necessary to effect such redemption), the holders of shares selected for redemption shall cease to be shareholders with respect to such shares and shall have no interest in or claim against the Trust by virtue thereof and shall have no voting or other rights with respect to such shares, except the right to receive the moneys payable upon such redemption from the Trust, less any required tax withholding amount, without interest thereon, upon surrender (and endorsement or assignment of transfer, if required by the Trust and so stated in the notice) of their certificates, and the shares represented thereby shall no longer be deemed to be outstanding. If fewer than all the shares represented by a certificate are redeemed, a new certificate shall be issued, without cost to the holder thereof, representing the unredeemed shares. The Trust may, at its option, at any time after a notice of redemption has been given, deposit the redemption price for the shares of this Series designated for redemption and not yet redeemed, plus any

accumulated and unpaid distributions thereon to the date fixed for redemption, with the transfer agent or agents for this Series, as a trust fund for the benefit of the holders of the shares of this Series designated for redemption, together with irrevocable instructions and authority to such transfer agent or agents that such funds be delivered upon redemption of such shares and to pay, on and after the date fixed for redemption or prior thereto, the redemption price of the shares to their respective holders upon the surrender of their share certificates. From and after the making of such deposit, the holders of the shares designated for redemption shall cease to be shareholders with respect to such shares and shall have no interest in or claim against the Trust by virtue thereof and shall have no voting or other rights with respect to such shares, except the right to receive from such trust fund the moneys payable upon such redemption, without interest thereon, upon surrender (and endorsement or assignment of transfer, if required by the Trust and so stated in the notice) of their certificates, and the shares represented thereby shall no longer be deemed to be outstanding. Any balance of such moneys remaining unclaimed at the end of the five-year period commencing on the date fixed for redemption shall be repaid to the Trust upon its request expressed in a resolution of its Board of Trustees.

(8) Any shares of this Series that shall at any time have been redeemed shall, after such redemption, have the status of authorized but unissued Preferred Shares, without designation as to series until such shares are once more designated as part of a particular series by the Board of Trustees.

(9) If the Board of Trustees shall, at any time and in good faith, be of the opinion that ownership of securities of the Trust has or may become concentrated to an extent that may prevent the Trust from qualifying as a real estate investment trust under the REIT Provisions of the Internal Revenue Code, then the Board of Trustees shall have the power, by lot or other means deemed equitable by them to prevent the transfer of and/or to call for redemption a number of shares of this Series sufficient, in the opinion of the Board of Trustees, to maintain or bring the direct or indirect ownership thereof into conformity with the requirements of such a real estate investment trust under the REIT Provisions of the Internal Revenue Code. The redemption price to be paid for shares of this Series so called for redemption, on the date fixed for redemption, shall be (i) the closing sale price on any national securities exchange or trading market on which the shares of this Series are listed, or (ii) the last quoted price as reported by any United States automated inter-dealer quotation system, on the last business day prior to the redemption date, or if the shares of this Series so called for redemption are not listed on any such exchange, trading market or quotation system, at \$25,000 per share of this Series (subject to adjustment in the case of share splits, combinations, share distributions and similar transactions); provided, that if interests in shares of this Series are represented by depositary shares, then the redemption price shall be determined in accordance with the foregoing, but with respect to one depositary share, multiplied by the number of depositary shares that together represent an interest in one share of this Series. From and after the date fixed for redemption by the Board of Trustees, the holder of any shares of this Series so called for redemption shall cease to be entitled to any distributions, voting rights and other benefits with respect to such shares of this Series, other than the right to payment of the redemption price determined as aforesaid. "REIT Provisions of the Internal Revenue Code" shall mean Sections 856 through 860 of the Internal Revenue Code of 1986, as amended. In order to exercise the redemption option set forth in this clause (9), with respect to the shares of this Series, the Trust shall give notice of redemption by publication in a newspaper of general circulation in the County of Los Angeles and the City of New York, such publication to be made once a week for two successive weeks, commencing not less than 30 nor more than 60 days prior to the date fixed for redemption. A similar notice will be mailed by the Trust by first class mail, postage pre-paid, to each record holder of the shares of this Series to be redeemed, not less than 30 nor more than 60 days prior to such redemption date, to the respective addresses of such holders as the same shall appear on the share transfer records of the Trust. Each notice shall state: (i) the redemption date; (ii) the number of shares of this Series to be redeemed; (iii) the redemption price; (iv) the place or places where certificates for such shares are to be surrendered for payment of the redemption price; and (v) that distributions on the shares to be redeemed will cease to accumulate on such redemption date. If fewer than all the shares of this Series held by any holder are to be redeemed, the notice mailed to such holder shall also specify the number of shares of this Series to be redeemed from such holder.

(d) Voting Rights. The shares of this Series shall not have any voting powers either general or special, except as required by law and except that:

(1) If the Trust shall fail to pay full cumulative distributions on the shares of this Series or any other of its Preferred Shares for six quarterly distribution payment periods, whether or not consecutive (a "Distribution Default"), the holders of all outstanding Preferred Shares, voting as a single class without regard to

series, will be entitled to elect two Trustees until full cumulative distributions for all past distribution payment periods on all Preferred Shares have been paid or declared and funds therefor set apart for payment. Such right to vote separately as a class to elect Trustees shall, when vested, be subject, always, to the same provisions for the vesting of such right to elect Trustees separately as a class in the case of future Distribution Defaults. At any time when such right to elect Trustees separately as a class shall have so vested, the Trust may, and upon the written request of the holders of record of not less than 10% of the total number of Preferred Shares of the Trust then outstanding shall, call a special meeting of shareholders for the election of Trustees. In the case of such a written request, such special meeting shall be held within 90 days after the delivery of such request and, in either case, at the place and upon the notice provided by law and in the Bylaws of the Trust, provided that the Trust shall not be required to call such a special meeting if such request is received less than 120 days before the date fixed for the next ensuing Annual Meeting of Shareholders of the Trust and the holders of all classes of outstanding Preferred Shares are afforded the opportunity to elect such Trustees (or fill any vacancy) at such Annual Meeting of Shareholders. Trustees elected as aforesaid shall serve until the next Annual Meeting of Shareholders of the Trust or until their respective successors shall be elected and qualified. If, prior to the end of the term of any Trustee elected as aforesaid, a vacancy in the office of such Trustee shall occur during the continuance of a Distribution Default by reason of death, resignation, or disability, such vacancy shall be filled for the unexpired term by the appointment of a new Trustee for the unexpired term of such former Trustee, such appointment to be made by the remaining Trustee elected as aforesaid.

(2) The affirmative vote or consent of the holders of at least 66 2/3% of the outstanding shares of this Series, voting separately as a class, will be required for any amendment to the Declaration of Trust that will materially and adversely alter or change the powers, preferences, privileges or rights of the shares of this Series, except as set forth below. The affirmative vote or consent of the holders of at least 66 2/3% of the outstanding shares of this Series and any other Series of Preferred Shares ranking on a parity with this Series as to distributions and upon liquidation (including the Parity Preferred Shares), voting as a single class without regard to series, will be required to issue, authorize or increase the authorized amount of any class or Series of shares ranking prior to this Series as to distributions or upon liquidation or to issue or authorize any obligation or security convertible into or evidencing a right to purchase any such security, but the Declaration of Trust may be amended to increase the number of authorized Preferred Shares ranking on a parity with or junior to this Series or to create another class of Preferred Shares ranking on a parity with or junior to this Series without the vote of the holders of outstanding shares of this Series.

(e) Conversion. The shares of this Series are not convertible into shares of any other class or Series of the shares of beneficial interest of this Trust.

Ladies and Gentlemen:

We are acting as special counsel to Public Storage, a Maryland real estate investment trust (the “**Company**”), in connection with the issuance and sale of up to 12,650,000 depositary shares (the “**Shares**”), each representing 1/1,000th of a 4.875% Cumulative Preferred Share of Beneficial Interest, Series I (the “**Preferred Shares**”) of the Company (including 1,650,000 Shares that may be issued upon the exercise of the underwriters’ option to purchase additional Shares), pursuant to the terms of the Underwriting Agreement dated September 5, 2019 between the Company and BofA Securities, Inc., Morgan Stanley & Co. LLC, UBS Securities LLC and Wells Fargo Securities, LLC, as Representatives of the several Underwriters named therein (the “**Agreement**”), all of which Shares are to be sold by the Company pursuant to a prospectus supplement dated September 5, 2019 and the accompanying prospectus dated May 15, 2019 (such documents, collectively, the “**Prospectus**”) that form part of the Company’s effective registration statement on Form S-3 (the “**Registration Statement**”). This opinion letter is furnished to you at your request to enable you to fulfill the requirements of Item 601(b)(5) of Regulation S-K, 17 C.F.R. § 229.601(b)(5), in connection with the Registration Statement. Capitalized terms used herein which are defined in the Agreement shall have the meanings set forth in the Agreement, unless otherwise defined herein.

For purposes of this opinion letter, we have examined copies of such agreements, instruments and documents as we have deemed an appropriate basis on which to render the opinions hereinafter expressed. In our examination of the aforesaid documents, we have assumed the genuineness of all signatures, the legal capacity of all natural persons, the accuracy and completeness of all documents submitted to us, the authenticity of all original documents, and the conformity to authentic original documents of all documents submitted to us as copies (including .pdfs). We also have assumed that the Shares and the Preferred Shares will not be issued in violation of the ownership limit contained in the Company’s Articles of Amendment and Restatement of Declaration of Trust, as amended. As to all matters of fact, we have relied on the representations and statements of fact made in the documents so reviewed, and we have not independently established the facts so relied on. This opinion letter is given, and all statements herein are made, in the context of the foregoing.

Further, for purposes of this opinion letter, we have assumed that (i) the Depositary has all requisite power and authority under all applicable laws, regulations and governing documents to execute, deliver and perform its obligations under the Deposit Agreement and has complied with all legal

requirements pertaining to its status as such status relates to its rights to enforce the Deposit Agreement against the Company, (ii) the Depositary has duly authorized, executed and delivered the Deposit Agreement, (iii) the Depositary is validly existing and in good standing in all necessary jurisdictions, (iv) the Deposit Agreement constitutes a valid and binding obligation, enforceable against the Depositary in accordance with its terms, (v) there has been no mutual mistake of fact or misunderstanding, or fraud, duress or undue influence, in connection with the negotiation, execution or delivery of the Deposit Agreement, and the conduct of all parties to the Deposit Agreement has complied with any requirements of good faith, fair dealing and conscionability, and (vi) there are and have been no agreements or understandings among the parties, written or oral, and there is and has been no usage of trade or course of prior dealing among the parties that would, in either case, define, supplement or qualify the terms of the Deposit Agreement.

This opinion letter is based as to matters of law solely on applicable provisions of the following, as currently in effect: (i) as to the opinion given in paragraph (a), Title 8 of the Corporations and Associations Article of the Annotated Code of Maryland, as amended (the “**Maryland REIT Law**”), and applicable provisions of the Maryland General Corporation Law, as amended (the “**MGCL**”), and (ii) as to the opinion given in paragraph (b), the laws of the State of New York (but not including any laws, statutes, ordinances, administrative decisions, rules or regulations of any political subdivision of New York). We express no opinion herein as to any other laws, statutes, ordinances, rules, or regulations.

Based upon, subject to and limited by the foregoing, we are of the opinion that:

(a) The Preferred Shares, upon receipt by the Company of the consideration for the Preferred Shares specified in resolutions of the Board of Trustees and the Special Committee thereof, will be validly issued, fully paid and non-assessable.

(b) The depositary receipts evidencing the Shares, upon due issuance against a deposit of the Preferred Shares in accordance with the certain Master Deposit Agreement, dated as of May 31, 2007, between the Company and Computershare Trust Company, N.A., as depositary, will be validly issued and entitle the holders thereof to the rights specified in such depositary receipts and Master Deposit Agreement.

This opinion letter has been prepared for use in connection with the filing by the Company of a Current Report on Form 8-K relating to the offer and sale of the Shares, which Form 8-K will be incorporated by reference into the Registration Statement and Prospectus. We assume no obligation to advise of any changes in the foregoing subsequent to the delivery of this letter.

We hereby consent to the filing of this opinion letter as Exhibit 5.1 to the above-described Form 8-K and to the reference to this firm under the caption “Legal Matters” in the Prospectus constituting a part of the Registration Statement.
