UNDERWRITING AGREEMENT

January 17, 2020

To the Managers named in Schedule I hereto
for the Underwriters named in Schedule II hereto

Ladies and Gentlemen:

Public Storage (the “**Company**”), a Maryland real estate investment trust (“**REIT**”), proposes to issue and sell to the several underwriters named in Schedule II hereto (the “**Underwriters**”), for whom you are acting as managers (the “**Managers**”), the principal amount of its debt securities identified in Schedule I hereto (the “**Securities**”), to be issued under the indenture (the “**Base Indenture**”) and the third supplemental indenture (the “**Third Supplemental Indenture**”) and, together with the Base Indenture, the “**Indenture**”) specified in Schedule I hereto between the Company and the Trustee identified in such Schedule (the “**Trustee**”). If the firm or firms listed in Schedule II hereto include only the Managers listed in Schedule I hereto, then the terms “Underwriters” and “Managers” as used herein shall each be deemed to refer to such firm or firms. Certain terms used in this Agreement are defined in Section 1(jj). In connection with the issuance of the Securities, the Company will enter into the paying agency agreement (the “**Paying Agency Agreement**”), specified in Schedule I hereto between the Company and the Paying Agent specified in such Schedule (the “**Paying Agent**”).

1. *Representations and Warranties.* The Company represents, warrants and covenants to the Underwriters as set forth below.

(a) The Company has filed with the Securities and Exchange Commission (the “**Commission**”) a registration statement, registration number 333-231510, on Form S-3, including the related prospectus included in the Registration Statement, for the registration under the Securities Act of 1933, as amended (the “**Securities Act**”), of the offering and sale of, inter alia, the Securities. The Company has filed with, or transmitted for filing to, or shall promptly hereafter file with or transmit for filing to, the Commission a prospectus supplement (the “**Prospectus Supplement**”) specifically relating to the Securities pursuant to Rules 415 and 424 under the Securities Act. The Company has included or will include in such Registration Statement, as amended at the Execution Time, and in the Prospectus Supplement all information required by the Securities Act and the rules thereunder to be included therein with respect to the Securities and the offering thereof. As filed, such Registration Statement, as so amended, and form of final prospectus contained in the Registration Statement and Prospectus Supplement, contains or will contain all required information with respect to the Securities and the offering thereof and, except to the extent the Managers shall agree in writing to a modification, shall be in all substantive respects in the form furnished to the Underwriters prior to the date hereof or, to the extent not completed at the Execution Time, shall contain only such specific additional information and other changes as the Company has advised the Managers, prior to the Execution Time, will be included or made therein.

(b) At the respective times the Registration Statement and each amendment thereto became effective, at each deemed effective date pursuant to Rule 430B and on the Closing Date, the Registration Statement complied and will comply in all material respects with the requirements of the Securities Act and the rules thereunder and did not contain and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading; and, the Prospectus and any amendments or supplements thereto, at the time the Prospectus or any such amendment or supplement was issued and on the Closing Date complied and will comply in all material respects with the requirements of the Securities Act and the rules thereunder and did not and will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the Company makes no representations or warranties as to (A) the information contained in or omitted from the Registration Statement or the Prospectus (or any supplement thereto) in reliance upon and in conformity with information furnished in writing to the Company by or on behalf of any Underwriter through the Managers specifically for inclusion in the Registration Statement or the Prospectus (or any supplement thereto) or (B) that part of the Registration Statement that constitutes the Statement of Eligibility (Form T-1) under the Trust Indenture Act of 1939, as amended (the “**Trust Indenture Act**”), of the Trustee.

(c) As of the Applicable Time (as defined below), the Issuer General Use Free Writing Prospectus(es) (as defined below) issued at or prior to the Applicable Time and the Statutory Prospectus (as defined below) all considered together (collectively, the “**General Disclosure Package**”), did not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the Company makes no representations or warranties as to the information contained in or omitted from the General Disclosure Package in reliance upon and in conformity with information furnished in writing to the Company by or on behalf of any Underwriter through the Managers specifically for inclusion therein. As used in this subsection and elsewhere in this Agreement:

“**Applicable Time**” means 11:10 a.m. (New York City time) on January 17, 2020 or such other time as agreed by the Company and the Managers.

“Statutory Prospectus” means the prospectus relating to the Securities contained in the Registration Statement at the Effective Date, including any document incorporated by reference therein and any Preliminary Prospectus.

“Issuer Free Writing Prospectus” means any “issuer free writing prospectus,” as defined in Rule 433 of the Securities Act, relating to the Securities that (i) is required to be filed with the Commission by the Company, (ii) is a “roadshow that is a written communication” within the meaning of Rule 433(d)(8)(i), including the items listed on Schedule III hereto, whether or not required to be filed with the Commission or (iii) is exempt from filing pursuant to Rule 433(d)(5)(i) because it contains a description of the Securities or of the offering that does not reflect the final terms, in each case in the form filed or required to be filed with the Commission or, if not required to be filed, in the form retained by the Company’s records pursuant to Rule 433(g) of the Securities Act.

“Issuer General Use Free Writing Prospectus” means any Issuer Free Writing Prospectus that is intended for general distribution to prospective investors, as evidenced by its being specified in Schedule IV hereto.

(d) Each Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the public offer and sale of the Securities or until any earlier date that the Company notified or notifies the Managers, did not, does not and will not include any information that conflicted, conflicts or will conflict with any information contained in the Registration Statement or the Prospectus, including any document incorporated by reference therein and any preliminary or other prospectus deemed to be a part thereof that has not been superseded or modified.

(e) (i) At the time of filing of the Registration Statement, (ii) at the time of the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the Securities Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), or form of prospectus), (iii) at the time the Company or any person acting on its behalf (within the meaning, for this clause only, of Rule 163(c) of the Securities Act) made any offer relating to the Securities in reliance on the exemption of Rule 163 of the Securities Act and (iv) at the date hereof, the Company was and is a “well-known seasoned issuer” as defined in Rule 405 of the Securities Act. The Registration Statement is an “automatic shelf

registration statement,” as defined in Rule 405 of the Securities Act and the Securities, since their registration on the Registration Statement, have been and remain eligible for registration by the Company on a Rule 405 of the Securities Act “automatic shelf registration statement.” The Company has not received from the Commission any notice pursuant to Rule 401(g)(2) of the Securities Act objecting to the use of the automatic shelf registration statement form. (i) At the earliest time after the filing of the Registration Statement that the Company or another offering participant made a bona fide offer (within the meaning of Rule 164(h)(2) of the Securities Act) of the Securities and (ii) at the date hereof, the Company was not and is not an “ineligible issuer,” as defined in Rule 405 of the Securities Act, including the Company or any other subsidiary in the preceding three years not having been convicted of a felony or misdemeanor or having been made the subject of a judicial or administrative decree or order as described in Rule 405 of the Securities Act.

(f) The Registration Statement has become effective under the Securities Act, and no stop order suspending the effectiveness of the Registration Statement is in effect and no proceedings for such purpose are, to the knowledge of the Company, pending before or threatened by the Commission.

(g) The documents incorporated or deemed to be incorporated by reference in the Registration Statement, the Prospectus and the General Disclosure Package, at the time they were or hereafter are filed with the Commission, complied and will comply in all material respects with the requirements of the Exchange Act, and the rules and regulations of the Commission thereunder and, when read together with the other information in the General Disclosure Package, at the Applicable Time, and with the Prospectus, at the date of the Prospectus, on the Closing Date did not and will not include an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances, under which they were made, not misleading.

(h) The only significant subsidiaries of the Company are the subsidiaries listed on Annex A hereto (the “**Subsidiaries**”). Each of the Company, the Subsidiaries, and the partnerships listed on Annex B hereto (the “**Partnerships**”) has been duly organized and is validly existing in good standing under the laws of the jurisdiction in which it is organized, with full power and authority to own or lease and occupy its properties and conduct its business as described in the Prospectus, and is duly qualified to do business, and is in good standing, in each jurisdiction which requires such qualification, except where the failure to so qualify would not, individually or in the aggregate, have a material adverse effect on the business, operations, earnings, assets or financial

All of the outstanding shares of capital stock or equity interests, as applicable, of each of the Subsidiaries have been duly authorized and validly issued, are fully paid and nonassessable, and are owned by the Company directly, or indirectly through another Subsidiary, free and clear of any lien, adverse claim, security interest, equity, or other encumbrance. (j) The Company, each Subsidiary and each Partnership have good and marketable title to their properties, free and clear of all material liens, charges and encumbrances and equities of record, except as set forth or reflected in the Registration Statement, the General Disclosure Package and the Prospectus.

The financial statements, together with related schedules and notes, incorporated by reference in the General Disclosure Package, the Prospectus and the Registration Statement comply as to form in all material respects with the requirements of the Securities Act. (z) The Company maintains a system of internal accounting controls sufficient to provide reasonable assurances that in all material respects (i) transactions are executed in accordance with management's general or specific authorization; (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP and to maintain accountability for assets; (iii) access to assets is permitted only in accordance with management's general or specific authorization; (iv) the recorded accountability for assets is compared with existing assets at reasonable intervals and appropriate action is taken with respect to any differences; and (v) the interactive data in XBRL included in the Registration Statement, the General Disclosure Package and the Prospectus fairly presents the information called for in all material respects and is prepared in accordance with the Commission's rules and guidelines applicable thereto.

(aa) To the Company's knowledge, neither the Company, any of its Subsidiaries nor any of the Partnerships nor any employee or agent of the Company, any Subsidiary or any Partnership has made any payment of funds of the Company, any Partnership or any Subsidiary or received or retained any funds in violation of any law, rule or regulation, which payment, receipt or retention of funds is of a character required to be disclosed in the Prospectus.

(bb) The Company, each of the Subsidiaries and each of the Partnerships have filed all tax returns required to be filed (except to the extent extensions have been timely filed related thereto), which returns are complete and correct in all material respects, and neither the Company, any Partnership nor any Subsidiary is in default in the payment of any taxes which were payable pursuant to said returns or any assessments with respect thereto.

(cc) The Securities have been duly authorized and, when executed and authenticated in accordance with the provisions of the Indenture and delivered to and paid for by the Underwriters in accordance with the terms of this Agreement, will be valid and binding obligations of the Company, enforceable in accordance with their respective terms, subject to applicable bankruptcy, insolvency reorganization, moratorium or other similar laws now or hereinafter in effect relating to creditors' rights generally and equitable principles of general applicability (regardless of whether a proceeding is considered at law or in equity), and will be entitled to the benefits of the Indenture.

(kk) Neither the Company nor any of its officers, directors, or controlling persons has taken, directly or indirectly, any action intended, or which might reasonably be expected, to cause or result, under the Securities Act or otherwise, in, or which has constituted, stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities in violation of the Securities Act.

(ll) (i) There has been no security breach or incident, unauthorized access or disclosure, or other compromise relating to the Company’s or its subsidiaries’ information technology and computer systems, networks, hardware, software, data and databases (including the data and information of their respective customers, employees, suppliers, vendors and any third party data maintained, processed or stored by the Company and its subsidiaries, and any such data processed or stored by third parties on behalf of the Company and its subsidiaries), equipment or technology (collectively, “**IT Systems and Data**”), (ii) neither the Company nor its subsidiaries have been notified of, and have no knowledge of any event or condition that would result in, any security breach or incident, unauthorized access or disclosure or other

The Company and its subsidiaries are presently in compliance in all material respects with all applicable laws or statutes and all judgments, orders, rules and regulations of any court or arbitrator or governmental or regulatory authority, internal policies and contractual obligations relating to the privacy and security of IT Systems and Data and to the protection of such IT Systems and Data from unauthorized use, access, misappropriation or modification.

2. *Agreements to Sell and Purchase.* The Company hereby agrees to sell to the several Underwriters, and each Underwriter, upon the basis of the representations and warranties herein contained, but subject to the conditions hereinafter stated, agrees, severally and not jointly, to purchase from the Company the respective principal amounts of Securities set forth in Schedule II hereto opposite its name at the purchase price set forth in Schedule I hereto plus any additional principal amount of Securities which such Underwriter may become obligated to purchase pursuant to the provisions of Section 10 hereof.

3. *Public Offering.* The Company has been advised by you that the Underwriters propose to make a public offering of their respective portions of the Securities as soon after this Agreement has been entered into as in your judgment is advisable and initially to offer the Securities upon the terms set forth in the Prospectus.

4. *Payment and Delivery.*

(a) Payment for the Underwriters' Securities shall be made to the Company in euros by wire transfer in same day funds through a common depository (the "**Common Depository**") for Clearstream Banking, *société anonyme* ("**Clearstream**") and Euroclear Bank S.A./N.V., as operator of the Euroclear System ("**Euroclear**"), to an account specified in writing to the Underwriters by the Company on the closing date and time set forth in Schedule I hereto, or at such other time on the same or such other date, not later than the fifth business day thereafter, as shall be agreed upon by you and the Company. The time and date of such payment are hereinafter referred to as the "**Closing Date.**"

(b) Payment for the Securities shall be made against delivery to you on the Closing Date and at the closing location set forth in Schedule I hereto for the respective accounts of the several Underwriters of the Securities registered in such names and in such denominations as you shall request in writing not later than one full business day prior to the Closing Date, with any transfer taxes payable in connection with the transfer of the Securities to the Underwriters duly paid.

(c) Delivery of Securities. The Company shall make one or more global certificates (collectively, the “**Global Securities**”) representing the Securities available for inspection by the Underwriters at least twenty-four hours prior to the Closing Date and, on or prior to the Closing Date, the Company shall deliver the Global Securities to the Common Depositary in book-entry form which will be registered in the name of a nominee of the Common Depositary for Clearstream and Euroclear. Delivery of the Securities to the Managers on the Closing Date shall be made through the facilities of the Common Depositary for Clearstream and Euroclear unless the Underwriters shall otherwise instruct.

5. *Conditions to the Underwriters’ Obligations.* The several obligations of the Underwriters are subject to the following conditions:

(a) All of the representations and warranties of the Company contained in this Agreement shall be true and correct on the Closing Date with the same force and effect as if made on and as of the Closing Date.

(b) Subsequent to the execution and delivery of this Agreement and prior to the Closing Date, there shall not have occurred any downgrading, nor shall any public announcement have been made of any surveillance or review or placement on a so-called “watch list,” with possible negative implications, in the rating accorded the Company or any of the securities of the Company by any “nationally recognized statistical rating organization,” as such term is defined in Section 3(a)(62) of the Exchange Act; and

(c) Subsequent to the execution and delivery of this Agreement and prior to the Closing Date, there shall not have occurred any change, or any development involving a prospective change, in the condition, financial or otherwise, or in the earnings, business or operations of the Company and its subsidiaries, taken as a whole, from that set forth in the General Disclosure Package that, in your judgment, is material and adverse and that makes it, in your judgment, impracticable to market the Securities on the terms and in the manner contemplated in the General Disclosure Package.

(d) The Underwriters shall have received on the Closing Date a certificate, dated the Closing Date and signed by an executive officer of the Company, to the effect set forth in Section 5(b) above and to the effect that the representations and warranties of the Company contained in this Agreement are true and correct as of the Closing Date and that the Company has complied with all of the agreements and satisfied all of the conditions on its part to be performed or satisfied hereunder on or before the Closing Date.

The officer signing and delivering such certificate may rely upon the best of his or her knowledge as to proceedings threatened.

(e) The Underwriters shall have received on the Closing Date a negative assurance letter of Hogan Lovells US LLP, outside counsel for the Company, dated the Closing Date, substantially in the form set forth in Annex C hereto, which negative assurance letter shall be satisfactory in all respects to the Managers.

(f) The Underwriters shall have received on the Closing Date opinions of Hogan Lovells US LLP, outside counsel for the Company, dated the Closing Date, substantially in the forms set forth in Annex D and Annex E hereto, which opinions shall be satisfactory in all respects to the Managers.

(g) The Underwriters shall have received on the Closing Date an opinion of Skadden, Arps, Slate, Meagher & Flom LLP, counsel for the Underwriters, dated the Closing Date, which opinion shall be satisfactory in all respects to the Managers, and such counsel shall have been provided by the Company with such documents and information as they may reasonably request to enable them to pass on such matters.

(h) The Underwriters shall have received, on each of the date hereof and the Closing Date, a letter dated the date hereof or the Closing Date, as the case may be, in form and substance satisfactory to the Underwriters, from Ernst & Young LLP, independent public accountants, containing statements and information of the type ordinarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained in the Registration Statement, the General Disclosure Package and the Prospectus; *provided* that the letter delivered on the Closing Date shall use a "cut-off date" not earlier than three business days prior to the Closing Date.

(i) The Company shall have furnished or caused to be furnished to you such further certificates and documents as you shall have requested.

-
- (j) The Company shall have furnished or caused to be furnished to you an executed copy of the Paying Agency Agreement.
 - (k) On or before the Closing Date, an application for the listing of the Securities shall have been submitted with the NYSE.
 - (l) On or before the Closing Date, the Securities shall be eligible for clearance and settlement through Clearstream and Euroclear.

All such opinions, certificates, letters and other documents will be in compliance with the provisions hereof only if they are satisfactory in form and substance to you and your counsel.

Any certificate or document signed by any officer of the Company and delivered to you, as Managers, or to counsel for the Underwriters, shall be deemed a representation and warranty by the Company to each Underwriter as to the statements made therein.

6. *Covenants of the Company.* The Company covenants with each Underwriter as follows:

(a) To furnish to you, without charge, a signed copy of the Registration Statement (including exhibits thereto and documents incorporated by reference therein) and to deliver to each of the Underwriters during the period mentioned in Section 6(d) or 6(e) below, as many copies of the General Disclosure Package, the Prospectus, any documents incorporated by reference therein and any supplements and amendments thereto or to the Registration Statement as you may reasonably request.

(b) Before amending or supplementing the Registration Statement, the General Disclosure Package or the Prospectus, to furnish to you a copy of each such proposed amendment or supplement and not to file any such proposed amendment or supplement to which you reasonably object.

(c) To furnish to you a copy of each proposed free writing prospectus (as defined in Rule 405 under the Securities Act and relating to the offering of the Securities) to be prepared by or on behalf of, used by, or referred to by the Company and not to use or refer to any proposed free writing prospectus to which you reasonably object (any such free writing prospectus not objected to by the Managers is hereinafter referred to as a “**Permitted Free Writing Prospectus**”).

(d) If the General Disclosure Package is being used to solicit offers to buy the Securities at a time when the General Disclosure Package is not yet available to prospective purchasers and any event shall occur or condition exist as a result of which it is necessary to amend or supplement the General Disclosure Package in order to make

the statements therein, in the light of the circumstances, not misleading, or if any event shall occur or condition exist as a result of which the General Disclosure Package conflicts with the information contained in the Registration Statement then on file, or if, in the opinion of counsel for the Underwriters, it is necessary to amend or supplement the General Disclosure Package to comply with applicable law, forthwith to prepare, file with the Commission and furnish, at its own expense, to the Underwriters and to any dealer upon request, either amendments or supplements to the General Disclosure Package so that the statements in the General Disclosure Package as so amended or supplemented will not, in the light of the circumstances when the General Disclosure Package is delivered to a prospective purchaser, be misleading or so that the General Disclosure Package, as amended or supplemented, will no longer conflict with the Registration Statement, or so that the General Disclosure Package, as amended or supplemented, will comply with applicable law.

(e) If, during such period after the first date of the public offering of the Securities as in the opinion of counsel for the Underwriters the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) of the Securities Act) is required by law to be delivered in connection with sales by an Underwriter or dealer, any event shall occur or condition exist as a result of which it is necessary to amend or supplement the Prospectus in order to make the statements therein, in the light of the circumstances when the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) of the Securities Act) is delivered to a purchaser, not misleading, or if, in the opinion of counsel for the Underwriters, it is necessary to amend or supplement the Prospectus to comply with applicable law, forthwith to prepare, file with the Commission and furnish, at its own expense, to the Underwriters and to the dealers (whose names and addresses you will furnish to the Company) to which Securities may have been sold by you on behalf of the Underwriters and to any other dealers upon request, either amendments or supplements to the Prospectus so that the statements in the Prospectus as so amended or supplemented will not, in the light of the circumstances when the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) of the Securities Act) is delivered to a purchaser, be misleading or so that the Prospectus, as amended or supplemented, will comply with applicable law.

(f) To cooperate with the Managers and counsel to the Underwriters in connection with the qualification of the Securities for offer and sale under the securities or Blue Sky laws of such jurisdictions as you shall reasonably request; provided, that in no event shall the Company be obligated to qualify to do business in any jurisdiction where it is not now so qualified or to take any action which would subject it to general service of process in any jurisdiction where it is not now so subject.

(g) To make generally available to the Company's security holders as soon as practicable an earnings statement covering a period of at least twelve months beginning with the first fiscal quarter of the Company occurring after the date of this Agreement which shall satisfy the provisions of Section 11(a) of the Securities Act and the rules and regulations of the Commission thereunder.

(h) If this Agreement shall terminate or shall be terminated after execution pursuant to any provisions hereof (otherwise than pursuant to the second paragraph of Section 10 hereof or by notice given by you terminating this Agreement pursuant to Section 9 or Section 10 hereof) or if this Agreement shall be terminated by the Underwriters because of any failure or refusal on the part of the Company to comply with the terms or fulfill any of the conditions of this Agreement, the Company agrees to reimburse the Managers for all out-of-pocket expenses (including fees and expenses of counsel for the Underwriters) reasonably incurred by you in connection herewith.

(i) (A) The Company agrees to pay the following costs and expenses and all other costs and expenses incident to the performance by it of its obligations hereunder: (i) the preparation, printing or reproduction, and filing with the Commission of the Registration Statement (including financial statements and exhibits thereto), the Preliminary Prospectus, the Prospectus, any Permitted Free Writing Prospectus and each amendment or supplement to any of them; (ii) the printing (or reproduction) and delivery (including postage, air freight charges and charges for counting and packaging and any costs associated with electronic delivery) of such copies of the Registration Statement, the Preliminary Prospectus, the Prospectus, any Permitted Free Writing Prospectus, the Incorporated Documents, and all amendments or supplements to any of them, as may be reasonably requested for use in connection with the offering and sale of the Securities; (iii) the preparation, printing, authentication, issuance and delivery of certificates for the Securities, including any stamp taxes in connection with the original issuance and sale of the Securities; (iv) the printing (or reproduction) and delivery of this Agreement, the preliminary and supplemental Blue Sky Memoranda, the Indenture, the Paying Agency Agreement and all other agreements or documents printed (or reproduced) and delivered in connection with the offering of the Securities; (v) the fees and expenses of the Trustee, including the fees and disbursements of counsel for the Trustee, if any, and the fees and expenses of the Paying Agent, including the fees and disbursements of counsel for the Paying Agent, if any; (vi) if applicable, the registration of the Securities under the Exchange Act and the listing of

the Securities on the NYSE; (vii) the registration or qualification of the Securities for offer and sale under the securities or Blue Sky laws of the several states as provided in Section 6(g) hereof (including the reasonable fees, expenses and disbursements of counsel for the Underwriters relating to the preparation, printing or reproduction, and delivery of the preliminary and supplemental Blue Sky Memoranda and such registration and qualification) and the approval of the Securities for clearance and settlement through Clearstream and Euroclear; (viii) the filing fees and the fees and expenses of counsel for the Underwriters in connection with any filings required to be made with the Financial Industry Regulatory Authority, Inc.; (ix) the transportation and other expenses incurred by or on behalf of Company representatives in connection with presentations to prospective purchasers of the Securities; (x) the fees and expenses of the Company's accountants and the fees and expenses of counsel (including local and special counsel) for the Company; and (xi) the costs and expenses (including without limitation any damages or other amounts payable in connection with legal or contractual liability) associated with the reforming of any contracts for sale of the Securities made by the Underwriters caused by a breach of the representation in Section 1 (c).

(B) Each Underwriter agrees to pay the portion of the expenses payable by the Underwriters represented by such Underwriter's pro rata share (based on the proportion that the principal amount of Securities set forth opposite each Underwriter's name in Schedule II hereto bears to the aggregate principal amount of Securities set forth opposite the names of all Underwriters) of the Securities (with respect to each Underwriter, the "**Pro Rata Expenses**"). Notwithstanding anything contained in the International Capital Market Association Primary Market Handbook, each Underwriter hereby agrees that the Settlement Lead Manager (as defined below) may allocate the Pro Rata Expenses to the account of such Underwriter for settlement of accounts (including payment of such Underwriter's fees by the Settlement Lead Manager) as soon as practicable but in any case no later than 90 days following the Closing Date.

(j) During the period beginning on the date hereof and continuing to and including the Closing Date, not to offer, sell, contract to sell or otherwise dispose of any debt securities of the Company or warrants to purchase or otherwise acquire debt securities of the Company substantially similar to the Securities (other than (i) the Securities, (ii) commercial paper issued in the ordinary course of business or (iii) securities or warrants permitted with the prior written consent of the Managers with the authorization to release this lock-up on behalf of the Underwriters).

(k) To prepare a final term sheet relating to the offering of the Securities, containing only information that describes the final terms of the Securities or the offering in a form consented to by the Managers, and to file such final term sheet within the period required by Rule 433(d)(5)(ii) under the Securities Act following the date the final terms have been established for the offering of the Securities.

(l) To use its best efforts to permit the Securities to be eligible for clearance and settlement through Clearstream and Euroclear.

(m) The Company will not take, directly or indirectly, any action designed to or that could reasonably be expected to cause or result in any stabilization or manipulation of the price of the Securities. The Company hereby authorizes J.P. Morgan Securities plc as stabilizing manager (the “**Stabilizing Manager**”) and as the central point responsible for adequate public disclosure of information, and handling any request from a competent authority, in accordance with Article 6(5) of Commission Delegated Regulation (EU) 2016/1052 of 8 March 2016 with regard to regulatory technical standards for the conditions applicable to buy-back programmes and stabilisation measures. The Stabilizing Manager for its own account may, to the extent permitted by applicable laws and directives, over-allot and effect transactions with a view to supporting the market price of the Securities at a level higher than that which might otherwise prevail, but in doing so the Stabilizing Manager shall act as principal and not as agent of the Company and any loss resulting from overallocation and stabilization shall be borne, and any profit arising therefrom shall be beneficially retained, by the Stabilizing Manager. However, there is no assurance that the Stabilizing Manager (or persons acting on behalf of the Stabilizing Manager) will undertake any stabilization action or that stabilization will necessarily occur. Nothing contained in this paragraph shall be construed so as to require the Company to issue in excess of the aggregate principal amount of Securities specified in Schedule I hereto. Such stabilization, if commenced, may cease at any time and shall be conducted by the Stabilizing Manager in accordance with all applicable laws and directives.

(n) The Company will use its commercially reasonable efforts to effect the listing, subject to notice of issuance if applicable, of the Securities on the NYSE for trading on such exchange as promptly as practicable after the date hereof.

7. Covenants of the Underwriters. Each Underwriter severally covenants with the Company not to take any action that would result in the Company being required to file with the Commission under Rule 433(d) a free writing prospectus prepared by or on behalf of such Underwriter that otherwise would not be required to be filed by the Company thereunder, but for the action of the Underwriter.

8. *Indemnity and Contribution.*

(a) The Company agrees to indemnify and hold harmless each of you and each other Underwriter and each person, if any, who controls any Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act from and against any and all losses, claims, damages, liabilities and expenses (including reasonable costs of investigation) arising out of or based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, any Preliminary Prospectus, the Prospectus or any Issuer Free Writing Prospectus or in any amendment or supplement thereto, or arising out of or based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as such losses, claims, damages, liabilities or expenses arise out of or are based upon any untrue statement or omission or alleged untrue statement or omission which has been made therein or omitted therefrom in reliance upon and in conformity with the information relating to such Underwriter furnished in writing to the Company by or on behalf of any Underwriter through you expressly for use in connection therewith. The foregoing indemnity agreement shall be in addition to any liability which the Company may otherwise have.

(b) If any action, suit or proceeding shall be brought against any Underwriter or any person controlling any Underwriter in respect of which indemnity may be sought against the Company, such Underwriter or such controlling person shall promptly notify the Company (but failure to so notify the Company shall not relieve the Company from any liability hereunder to the extent it is not materially prejudiced as a result thereof and in any event shall not relieve it from any liability which it may have otherwise than on account of this indemnity agreement) and the Company shall assume the defense thereof, including the employment of counsel and payment of all fees and expenses; provided, however, that if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be one or more legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, the indemnifying party shall not have the right to direct the defense of such action on behalf of such indemnified party or parties and such indemnified party or parties shall have the right to select separate counsel to defend such action on behalf of such indemnified party or parties. Such Underwriter or any such controlling person shall have the right to employ separate counsel in any such action, suit or proceeding

and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Underwriter or such controlling person unless (i) the Company has agreed in writing to pay such fees and expenses, (ii) the Company has failed promptly to assume the defense and employ counsel, or (iii) the named parties to any such action, suit or proceeding (including any impleaded parties) include both such Underwriter or such controlling person and the Company and such Underwriter or such controlling person shall have been advised by its counsel that representation of such indemnified party and the Company by the same counsel would be inappropriate under applicable standards of professional conduct (whether or not such representation by the same counsel has been proposed) due to actual or potential differing interests between them (in which case the Company shall not have the right to assume the defense of such action, suit or proceeding on behalf of such Underwriter or such controlling person). It is understood, however, that the Company shall, in connection with any one such action, suit or proceeding or separate but substantially similar or related actions, suits or proceedings in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of only one separate firm of attorneys (in addition to any local counsel) at any time for all such Underwriters and controlling persons not having actual or potential differing interests with you or among themselves, which firm shall be designated in writing by the Managers, and that all such fees and expenses shall be reimbursed as they are incurred. The Company shall not be liable for any settlement of any such action, suit or proceeding effected without its written consent, but if settled with such written consent, or if there be a final judgment for the plaintiff in any such action, suit or proceeding, the Company agrees to indemnify and hold harmless any Underwriter, to the extent provided in the preceding paragraph, and any such controlling person from and against any loss, claim, damage, liability or expense by reason of such settlement or judgment.

(c) Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, its directors, its officers who sign the Registration Statement, and any person who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, to the same extent as the foregoing indemnity from the Company to each Underwriter, but only with respect to information relating to such Underwriter furnished in writing by or on behalf of such Underwriter through you expressly for use in the Registration Statement, the Prospectus, any Preliminary Prospectus or any Issuer Free Writing Prospectus, or any amendment or supplement thereto. If any action, suit or proceeding shall be brought against the Company, any of its directors, any such officer, or any such controlling person based on the Registration Statement, the Prospectus, any Preliminary Prospectus, or any Issuer Free Writing Prospectus or any

amendment or supplement thereto, and in respect of which indemnity may be sought against any Underwriter pursuant to this paragraph (c), such Underwriter shall have the rights and duties given to the Company by paragraph (b) above (except that if the Company shall have assumed the defense thereof such Underwriter shall not be required to do so, but may employ separate counsel therein and participate in the defense thereof, but the fees and expenses of such counsel shall be at such Underwriter's expense), and the Company, its directors, any such officer, and any such controlling person shall have the rights and duties given to the Underwriters by paragraph (b) above. The foregoing indemnity agreement shall be in addition to any liability which the Underwriters may otherwise have.

(d) If the indemnification provided for in this Section 8 is unavailable to an indemnified party under paragraph (a) or (c) hereof in respect of any losses, claims, damages, liabilities or expenses referred to therein, then an indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or expenses (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other hand from the offering of the Securities, or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and the Underwriters on the other in connection with the statements or omissions that resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the table on the cover page of the Prospectus. The relative fault of the Company on the one hand and the Underwriters on the other hand shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or by the Underwriters on the other hand and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 8 were determined by a pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities and expenses referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating any claim or defending any such action, suit or proceeding. Notwithstanding the provisions of this Section 8, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price of the Securities underwritten by it and distributed to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to this Section 8 are several in proportion to the respective aggregate principal amount of Securities set forth opposite their names in Schedule II hereto (or such principal amount of Securities increased as set forth in Section 11 hereof) and not joint.

(f) No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened action, suit or proceeding in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such action, suit or proceeding and does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(g) If at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, such indemnifying party agrees that it shall be liable for any settlement of the nature contemplated by Section 8(b) effected without its written consent if (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall have received notice of the terms of such settlement at least 30 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed such indemnified party in accordance with such request prior to the date of such settlement. Notwithstanding the immediately preceding sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, an indemnifying party shall not be liable

for any settlement of the nature contemplated by Section 8(b) effected without its consent if such indemnifying party (i) reimburses such indemnified party in accordance with such request to the extent such indemnifying party considers such request to be reasonable and (ii) provides written notice to the indemnified party substantiating the unpaid balance as unreasonable, in each case prior to the date of such settlement.

(h) Any losses, claims, damages, liabilities or expenses for which an indemnified party is entitled to indemnification or contribution under this Section 8 shall be paid by the indemnifying party to the indemnified party as such losses, claims, damages, liabilities or expenses are incurred. The indemnity and contribution agreements contained in this Section 8 and the representations and warranties of the Company set forth in this Agreement shall remain operative and in full force and effect, regardless of (i) any investigation made by or on behalf of any Underwriter or any person controlling any Underwriter, the Company, its directors or officers, or any person controlling the Company, (ii) acceptance of any Securities and payment therefor hereunder, and (iii) any termination of this Agreement. A successor to any Underwriter or any person controlling any Underwriter, or to the Company, its directors or officers, or any person controlling the Company, shall be entitled to the benefits of the indemnity, contribution and reimbursement agreements contained in this Section 8.

9. *Termination.* This Agreement shall be subject to termination in your absolute discretion, without liability on the part of any Underwriter to the Company by notice to the Company, if prior to the Closing Date, (i) there has been, since the time of execution of this Agreement or since the respective dates as of which information is given in the Prospectus or the General Disclosure Package, any material adverse change, or any development involving a prospective material adverse change, in the condition, financial or otherwise, or in the business, properties, net worth or results of operations of the Company, the Subsidiaries or the Partnerships, whether or not arising in the ordinary course of business, (ii) trading in securities generally on the NYSE, the NYSE American, Nasdaq Global Select Market or the Nasdaq Global Market shall have been suspended or materially limited, (iii) a general moratorium on commercial banking activities in New York, California or the European Union shall have been declared by either federal or state authorities, or (iv) there shall have occurred any outbreak or escalation of hostilities or other international or domestic calamity, crisis or change in political, financial or economic conditions, the effect of which on the financial markets of the United States is such as to make it, in your judgment, impracticable or inadvisable to commence or continue the offering of the Securities at the offering price to the public set forth on the cover page of the Prospectus or to enforce contracts for the resale of the Securities by the Underwriters. Notice of such termination may be given to the Company by telegram, telecopy or telephone and shall be subsequently confirmed by letter.

10. *Effectiveness; Defaulting Underwriters.* This Agreement shall become effective upon the execution and delivery hereof by the parties hereto.

If, on the Closing Date, any one or more of the Underwriters shall fail or refuse to purchase Securities that it has or they have agreed to purchase hereunder on such date, and the aggregate principal amount of Underwriters' Securities which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase is not more than one-tenth of the aggregate principal amount of the Securities to be purchased on such date, the other Underwriters shall be obligated severally in the proportions that the principal amount of Securities set forth opposite their respective names in Schedule II bears to the aggregate principal amount of Securities set forth opposite the names of all such non-defaulting Underwriters, or in such other proportions as you may specify, to purchase the Underwriters' Securities which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase on such date. If, on the Closing Date, any Underwriter or Underwriters shall fail or refuse to purchase Underwriters' Securities and the aggregate principal amount of Underwriters' Securities with respect to which such default occurs is more than one-tenth of the aggregate principal amount of Securities to be purchased on such date, and arrangements satisfactory to you and the Company for the purchase of such Underwriters' Securities by one or more non-defaulting Underwriters or other party or parties approved by you and the Company are not made within 36 hours after such default, this Agreement shall terminate without liability on the part of any non-defaulting Underwriter or the Company. In any such case which does not result in termination of this Agreement, either you or the Company shall have the right to postpone the Closing Date, but in no event for longer than seven days, in order that the required changes, if any, in the Registration Statement, in the General Disclosure Package, in the Prospectus or in any other documents or arrangements may be effected. Any action taken under this paragraph shall not relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under this Agreement. The term "Underwriter" as used in this Agreement includes, for all purposes of this Agreement, any party not listed in Schedule II hereto who, with your approval and the approval of the Company, purchases Securities which a defaulting Underwriter is obligated, but fails or refuses, to purchase.

11. *Entire Agreement.*

(a) This Agreement, together with any contemporaneous written agreements and any prior written agreements (to the extent not superseded by this Agreement) that relate to the offering of the Securities, represents the entire agreement between the Company and the Underwriters with respect to the preparation of any preliminary prospectus, the General Disclosure Package, the Prospectus, the conduct of the offering, and the purchase and sale of the Securities.

(b) The Company acknowledges that in connection with the offering of the Securities: (i) the Underwriters have acted at arms length, are not agents of, and owe no fiduciary duties to, the Company or any other person, (ii) the Underwriters owe the Company only those duties and obligations set forth in this Agreement and prior written agreements (to the extent not superseded by this Agreement), if any, and (iii) the Underwriters may have interests that differ from those of the Company. The Company waives to the full extent permitted by applicable law any claims it may have against the Underwriters arising from an alleged breach of fiduciary duty in connection with the offering of the Securities.

12. *Information Furnished by the Underwriters.* The statements set forth in the seventh, eighth and tenth paragraphs under the caption “Underwriting” in the Prospectus Supplement constitute the only information furnished by or on behalf of the Underwriters through you as such information is referred to in Sections 1(b), 1(c) and 8 hereof.

13. *Counterparts.* This Agreement may be signed in two or more counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

14. *Applicable Law.* This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York.

15. *Headings.* The headings of the sections of this Agreement have been inserted for convenience of reference only and shall not be deemed a part of this Agreement.

16. *Notices.* All communications hereunder shall be in writing and effective only upon receipt and if to the Underwriters shall be delivered, mailed or sent to you at the address set forth in Schedule I hereto; and if to the Company shall be delivered, mailed or sent to the address set forth in Schedule I hereto.

17. *Judgment.* The Company agrees to indemnify each Underwriter and each person, if any, who controls such Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, against any loss incurred by such indemnified person as a result of any judgment or order being given or made for any amount due hereunder and such judgment or order being expressed and paid in a currency (the “**judgment currency**”) other than U.S. dollars and as a result of any variation as between (i) the rate of exchange at which the U.S. dollar amount is converted into the judgment currency for the purpose of such judgment or order, and (ii) the rate of exchange at which such indemnified person is able to purchase U.S. dollars with the amount of the judgment currency actually received by the indemnified person. The foregoing indemnity shall constitute a separate and independent obligation of the Company and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term “rate of exchange” shall include any premiums and costs of exchange payable in connection with the purchase of, or conversion into, the relevant currency.

18. *Patriot Act*. In accordance with the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Company, which information may include the name and address of their respective clients, as well as other information that will allow the Underwriters to properly identify their respective clients.

19. *Recognition of the U.S. Special Resolution Regimes.*

(a) In the event that any Underwriter that is a Covered Entity (as defined below) becomes subject to a proceeding under a U.S. Special Resolution Regime (as defined below), the transfer from such Underwriter of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

(b) In the event that any Underwriter that is a Covered Entity (as defined below) or a BHC Act Affiliate (as defined below) of such Underwriter becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights (as defined below) under this Agreement that may be exercised against such Underwriter are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

For purposes of this Section 19, (w) the term “**BHC Act Affiliate**” has the meaning assigned to the term “affiliate” in, and shall be interpreted in accordance with, 12 U.S.C. § 1841(k); (x) the term “**Covered Entity**” means any of the following: (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b); (y) the term “**Default Right**” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable; and (z) the term “**U.S. Special Resolution Regime**” means each of (i) the Federal Deposit Insurance Act and the regulations promulgated thereunder and (ii) Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act and the regulations promulgated thereunder.

20. *Co-Manufacturer Agreement*. Solely for the purposes of the requirements of Article 9(8) of the MIFID Product Governance rules under EU Delegated Directive 2017/593 (the “**Product Governance Rules**”) regarding the mutual responsibilities of manufacturers under the Product Governance Rules, each of J.P. Morgan Securities plc and Morgan Stanley & Co. International plc (each a “**Manufacturer**” and together the “**Manufacturers**”) acknowledges to each other Manufacturer that it understands the responsibilities conferred upon it under the Product Governance Rules relating to each of the product approval process, the target market and the proposed distribution channels as applying to the Securities and the related information set out in the Prospectus in connection with the Securities. The Managers and the Company note the application of the Product Governance Rules and acknowledge the target market and distribution channels identified as applying to the Securities by the Manufacturers and the related information set out in the Prospectus with the Securities.

21. *Acknowledgment and Consent to Bail-In Provisions*. Notwithstanding and to the exclusion of any other term of this Agreement or any other agreements, arrangements, or understandings between any Underwriter and the Company, each of the parties to this Agreement acknowledges and accepts that a BRRD Liability (as defined below) arising under this Agreement may be subject to the exercise of Bail-in Powers (as defined below) by the Relevant Resolution Authority (as defined below), and acknowledges, accepts, and agrees to be bound by:

(a) the effect of the exercise of Bail-in Powers by the Relevant Resolution Authority in relation to any BRRD Liability of the Underwriters to the Company under this Agreement, that (without limitation) may include and result in any of the following, or some combination thereof: (i) the reduction of all, or a portion, of the BRRD Liability or outstanding amounts due thereon; (ii) the conversion of all, or a portion, of the BRRD Liability into shares, other securities or other obligations of the Underwriters or another person, and the issue to or conferral on the Company of such shares, securities or obligations; (iii) the cancellation of the BRRD Liability; and (iv) the amendment or alteration of any interest, if applicable, thereon, the maturity or the dates on which any payments are due, including by suspending payment for a temporary period; and

(b) the variation of the terms of this Agreement, as deemed necessary by the Relevant Resolution Authority, to give effect to the exercise of Bail-in Powers by the Relevant Resolution Authority.

Ladies and Gentlemen:

We are acting as counsel to Public Storage, a Maryland real estate investment trust (the “**Company**”), in connection with its proposed sale of €500 million principal amount of the Company’s 0.875% Senior Notes due 2032 (the “**Notes**”) pursuant to its registration statement on Form S-3 (File No. 333-231510) (the “**Registration Statement**”) filed by the Company with the Securities and Exchange Commission under the Securities Act of 1933, as amended (the “**Act**”), and the prospectus dated May 15, 2019 (the “**Prospectus**”), as supplemented by the supplement to the Prospectus dated January 17, 2020 (the “**Prospectus Supplement**”). The Notes are to be issued pursuant to an Indenture, dated September 18, 2017, between the Company and Wells Fargo Bank, National Association, as Trustee (the “**Indenture**”), as supplemented by a Third Supplemental Indenture, to be entered into by the Company and the Trustee (the “**Supplemental Indenture**”). This opinion letter is furnished to you at your request to enable you to fulfill the requirements of Item 601(b) (5) of Regulation S-K, 17 C.F.R. § 229.601(b)(5), in connection with the Registration Statement.

For purposes of this opinion letter, we have examined copies of such agreements, instruments and documents as we have deemed an appropriate basis on which to render the opinions hereinafter expressed. In our examination of the aforesaid documents, we have assumed the genuineness of all signatures, the legal capacity of all natural persons, the accuracy and completeness of all documents submitted to us, the authenticity of all original documents, and the conformity to authentic original documents of all documents submitted to us as copies (including pdfs). As to all matters of fact, we have relied on the representations and statements of fact made in the documents so reviewed, and we have not independently established the facts so relied on. This opinion letter is given, and all statements herein are made, in the context of the foregoing.

For purposes of this opinion letter, we have assumed that (i) Wells Fargo Bank, National Association, as trustee (the “**Trustee**”) under the Indenture, to be supplemented by the Supplemental Indenture, has and, upon execution of the Supplemental Indenture, will have all requisite power and authority under all applicable laws, regulations and governing documents to execute, deliver and perform its obligations under the Indenture and the Supplemental Indenture and has complied with all legal requirements pertaining to its status as such status relates to the Trustee’s right to enforce the

Indenture and Supplemental Indenture against the Company, (ii) the Trustee has authorized, executed and delivered the Indenture and has authorized and will duly execute and deliver the Supplemental Indenture, (iii) the Trustee is validly existing and in good standing in all necessary jurisdictions, (iv) the Indenture constitutes and, upon its execution, the Supplemental Indenture will constitute valid and binding obligations, enforceable against the Trustee in accordance with their terms, (v) there has been no, and in the case of the Supplemental Indenture, there will be no mutual mistake of fact or misunderstanding, or fraud, duress or undue influence, in connection with the negotiation, execution or delivery of the Indenture or the Supplemental Indenture, and the conduct of all parties to the Indenture and, upon execution, the Supplemental Indenture has complied and will comply with any requirements of good faith, fair dealing and conscionability and (vi) there are, have been and will be no agreements or understandings among the parties, written or oral, and there is, has been and will be no usage of trade or course of prior dealing among the parties (and no act or omission of any party) that would, in either case, define, supplement or qualify the terms of the Indenture or, upon its execution, the Supplemental Indenture. We also have assumed the validity and constitutionality of each relevant statute, rule, regulation and agency action covered by this opinion letter.

This opinion letter is based as to matters of law solely on the applicable provisions of the following, as currently in effect: (i) Title 8 of the Corporations and Associations Article of the Annotated Code of Maryland, as amended, including applicable provisions of the Maryland General Corporation Law, as amended; and (ii) the laws of the State of New York (but not including any laws, statutes, ordinances, administrative decisions, rules or regulations of any political subdivision below the state level). We express no opinion herein as to any other statutes, rules or regulations (and in particular, we express no opinion as to any effect that such other statutes, rules or regulations may have on the opinion expressed herein).

Based upon, subject to and limited by the foregoing, we are of the opinion that the Notes have been duly authorized on behalf of the Company and that, following (i) receipt by the Company of the consideration therefor specified in the Underwriting Agreement dated January 17, 2020, by and among the Company and J.P. Morgan Securities plc and Morgan Stanley & Co. International plc, as representatives of the several underwriters named therein, and (ii) the due execution, authentication, issuance and delivery of the Notes pursuant to the terms of the Indenture and, upon its execution, the Supplemental Indenture, and as contemplated by the Prospectus Supplement, the Notes will constitute valid and binding obligations of the Company.

The opinion expressed above with respect to the valid and binding nature of obligations may be limited by bankruptcy, insolvency, reorganization, receivership, moratorium or other laws affecting creditors' rights (including, without limitation, the effect of statutory and other law regarding fraudulent conveyances, fraudulent transfers and preferential transfers) and by the exercise of judicial discretion and the application of principles of equity, good faith, fair dealing, reasonableness, conscionability and materiality (regardless of whether the Notes are considered in a proceeding in equity or at law).

This opinion letter has been prepared for use in connection with the filing by the Company of a Current Report on Form 8-K relating to the offer and sale of the Notes, which Form 8-K will be incorporated by reference into the Registration Statement and Prospectus Supplement. We assume no obligation to advise of any changes in the foregoing subsequent to the delivery of this opinion letter.

We hereby consent to the filing of this opinion letter as Exhibit 5.1 to the above-described Form 8-K, and to the reference to this firm under the caption “Legal Matters” in the Prospectus Supplement constituting part of the Registration Statement. In giving this consent, we do not thereby admit that we are an “expert” within the meaning of the Act.
